

the applicants and/or the schools—general applicant and nursing school data such as full name, location, tuition/fees, and enrollment status; (2) from the schools, on an annual basis—data concerning tuition/fees and student enrollment status; and (3) from the participants and their health care facilities with a critical shortage of nurses, on a biannual basis—data concerning the participant’s employment status, work schedule and leave usage. BHW enters the cost information into its data system, along

with the projected amount for the monthly stipend, to determine the amount of each scholarship award.
Likely Respondents: Nurse Corps Scholarship Program scholars in school and graduates.
Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying

information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this Information Collection Request are summarized in the table below.

Total Estimated Annualized burden hours:

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Eligible Applications	2,600	1	2,600	2	5,200
In-School Monitoring	500	2	1,000	2	2,000
In-Service Monitoring	500	2	1,000	1	1,000
Total	3,600	4,600	8,200

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency’s functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Office of Dietary Supplements 2015–2020 Strategic Plan Request for Comments

SUMMARY: The Office of Dietary Supplements (ODS) at the National Institutes of Health (NIH) has initiated a strategic planning process that will culminate in the ODS Strategic Plan for 2015–2020. To assist with this process, the ODS requests input from research communities—academic, government, and industry—and from other interested parties.

DATES: In order to ensure full consideration, all responses must be submitted by midnight, March 6, 2015.

ADDRESSES: Interested individuals and organizations should submit their responses to ODSplan@od.nih.gov.

FOR FURTHER INFORMATION CONTACT: Anne L. Thurn, Ph.D., Office of Dietary Supplements, National Institutes of Health, 6100 Executive Boulevard, Room 3B01, Bethesda, MD 20892–7517, Phone: 301–435–2920, Fax: 301–480–1845, Email: ODSplan@od.nih.gov.

SUPPLEMENTARY INFORMATION: The overall purpose of the strategic planning effort is to identify both new opportunities and emerging needs for incorporation in the programmatic efforts of the Office. A background paper, ODS Strategic Plan 2010–2014 Progress Report, summarizes progress in five key areas of ODS activities. The background paper and related information are available on the ODS Web site at <http://ods.od.nih.gov/strategicplan>.

Guidance is being requested from all interested parties on these important issues.

- Are the current strategic goals adequate?
- Is ODS meeting its stakeholders’ needs?
- In the future, should some of ODS’s current programs or activities be given higher (or lower) priority?
- How can ODS more effectively provide useful information to the ODS user community, including consumers, investigators, practitioners, industry, media, policy makers, government, and other interested parties?

Dated: January 30, 2015.
Lawrence A. Tabak,
 Deputy Director, National Institutes of Health.
