Background: Section 10(a) of the National Environmental Education Act of 1990 mandates a National Environmental Education Foundation. The Foundation is established in order to extend the contribution of environmental education and training to meeting critical environmental protection needs, both in this country and internationally; to facilitate the cooperation, coordination, and contribution of public and private resources to create an environmentally advanced educational system; and to foster an open and effective partnership among Federal, State, and local government, business, industry, academic institutions, community-based environmental groups, and international organizations.

The Foundation is a charitable and nonprofit corporation whose income is exempt from tax, and donations to which are tax deductible to the same extent as those organizations listed pursuant to section 501(c) of the Internal Revenue Code of 1986. The Foundation is not an agency or establishment of the United States. The purposes of the Foundation are—

(A) subject to the limitation contained in the final sentence of subsection (d) herein, to encourage, accept, leverage, and administer private gifts for the benefit of, or in connection with, the environmental education and training activities and services of the United States Environmental Protection Agency;

(B) to conduct such other environmental education activities as

will further the development of an environmentally conscious and responsible public, a well-trained and environmentally literate workforce, and an environmentally advanced educational system;

(C) to participate with foreign entities and individuals in the conduct and coordination of activities that will further opportunities for environmental education and training to address environmental issues and problems involving the United States and Canada or Mexico.

The Foundation develops, supports, and/or operates programs and projects to educate and train educational and environmental professionals, and to assist them in the development and delivery of environmental education and training programs and studies.

The Foundation has a governing Board of Directors (hereafter referred to in this section as ‘the Board’), which consists of 13 directors, each of whom shall be knowledgeable or experienced in the environment, education and/or training. The Board oversees the activities of the Foundation and assures that the activities of the Foundation are consistent with the environmental and education goals and policies of the Environmental Protection Agency and with the intents and purposes of the Act. The membership of the Board, to the extent practicable, represents diverse points of view relating to environmental education and training. Members of the Board are appointed by the Administrator of the Environmental Protection Agency.

Within 90 days of the date of the enactment of the National Environmental Education Act, and as appropriate thereafter, the Administrator will publish in the **Federal Register** an announcement of appointments of Directors of the Board. Such appointments become final and effective 90 days after publication in the **Federal Register**. The directors are appointed for terms of 4 years. The Administrator shall appoint an individual to serve as a director in the event of a vacancy on the Board within 60 days of said vacancy in the manner in which the original appointment was made. No individual may serve more than 2 consecutive terms as a director.

Dated: February 3, 2015.

Gina McCarthy,
Administrator.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–0800, 3060–0508, 3060–1058 and 3060–xxxx]

Information Collections Being Submitted for Review and Approval to the Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the Federal Communication Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the

information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before March 11, 2015. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, OMB, via email Nicholas.A.Fraser@omb.eop.gov; and to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov. Include in the comments the OMB control number as shown in the **SUPPLEMENTARY INFORMATION** section below.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection, contact Cathy Williams at (202) 418-2918. To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the Web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the Web page called "Currently Under Review," (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, (6) when the list of FCC ICRs currently under review appears, look for the OMB control number of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0508.
Title: Parts 1 and 22 Reporting and Recordkeeping Requirements.
Form Number: Not applicable.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities, Individuals or households, and State, Local or Tribal Governments.

Number of Respondents and Responses: 15,713 respondents; 15,713 responses.

Estimated Time per Response: 15 minutes-10 hours.

Frequency of Response: Recordkeeping requirement; On occasion, quarterly, and semi-annual reporting requirements.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in 47 U.S.C. 154, 222, 303, 309 and 332.

Total Annual Burden: 4,894 hours.

Annual Cost Burden: \$19,445,250.

Privacy Act Impact Assessment: Yes.

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information. The information to be collected will be made available for public inspection. Applicants may request materials or information submitted to the Commission be given confidential treatment under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: Part 22 contains the technical and legal requirements for radio stations operating in the Public Mobile Services. The information collected is used to determine on a case-by-case basis, whether or not to grant licenses authorizing construction and operation of wireless telecommunications facilities to common carriers. Further, this information is used to develop statistics about the demand for various wireless licenses and/or the licensing process itself, and occasionally for rule enforcement purposes.

This revised information collection reflects changes in rules applicable to Part 22 800 MHz Cellular Radiotelephone ("Cellular") Service licensees and applicants, as adopted by the Commission in a Report and Order ("R&O") on November 7, 2014 (WT Docket No. 12-40; RM No. 11510; FCC 14-181). By the R&O, the Commission eliminates or streamlines certain Cellular Service filing requirements, thereby reducing the information collection burdens for Cellular Service respondents.

OMB Control No.: 3060-0800.

Title: FCC Application for Assignments of Authorization and Transfers of Control: Wireless Telecommunications Bureau and/or Public Safety and Homeland Security Bureau.

Form No.: FCC Form 603.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households; business or other for-profit entities; not-for-profit institutions; State, local or Tribal Government.

Number of Respondents and Responses: 2,447 respondents; 2,447 responses.

Estimated Time per Response: 0.5-1.75 hours.

Frequency of Response: Recordkeeping requirement; occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in 47 U.S.C. 4(i), 154(i), 303(r) and 309(j).

Total Annual Burden: 2,759 hours.

Total Annual Cost: \$366,975.

Nature and Extent of Confidentiality: In general there is no need for confidentiality. On a case by case basis, the Commission may be required to withhold from disclosure certain information about the location, character, or ownership of a historic property, including traditional religious sites.

Privacy Act Impact Assessment: Yes.

Needs and Uses: FCC Form 603 is a multi-purpose form used to apply for approval of assignment or transfer of control of licenses in the wireless services. The data collected on this form is used by the FCC to determine whether the public interest would be served by approval of the requested assignment or transfer. This form is also used to notify the Commission of consummated assignments and transfers of wireless and/or public safety licenses that have previously been consented to by the Commission or for which notification but not prior consent is required. This form is used by applicants/licensees in the Public Mobile Services, Personal Communications Services, General Wireless Communications Services, Private Land Mobile Radio Services, Broadcast Auxiliary Services, Broadband Radio Services, Educational Radio Services, Fixed Microwave Services, Maritime Services (excluding ships), and Aviation Services (excluding aircraft).

The purpose of this form is to obtain information sufficient to identify the parties to the proposed assignment or transfer, establish the parties' basic eligibility and qualifications, classify the filing, and determine the nature of the proposed service. Various technical schedules are required along with the main form applicable to Auctioned Services, Partitioning and Disaggregation, Undefined Geographical

Area Partitioning, Notification of Consummation or Request for Extension of Time for Consummation.

This revised information collection reflects changes in rules applicable to Part 22 800 MHz Cellular Radiotelephone (“Cellular”) Service licensees and applicants, as adopted by the Commission in a Report and Order (“R&O”) on November 7, 2014 (WT Docket No. 12–40; RM No. 11510; FCC 14–181). In addition to other rule revisions that do not affect this information collection, the Commission adopted a revised rule Section 22.948(a) to require the electronic submission of maps (in GIS format and PDF) when the Cellular applicant submits Form 603 to apply for Partitioning and Disaggregation. This requirement very slightly increases the total annual burden hours for this information collection. FCC Form 603 itself is not being revised.

OMB Control No.: 3060–1058.

Title: FCC Application or Notification for Spectrum Leasing Arrangement: Wireless Telecommunications Bureau and/or Public Safety and Homeland Security Bureau.

Form No.: FCC Form 608.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents and Responses: 991 respondents; 991 responses.

Estimated Time per Response: 1 hour.

Frequency of Response:

Recordkeeping requirement and on occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in 47 U.S.C. 151, 154(i), 154(j), 155, 158, 161, 301, 303(r), 308, 309, 310, 332 and 503.

Total Annual Burden: 996 hours.

Annual Cost Burden: \$1,282,075.

Nature and Extent of Confidentiality:

In general there is no need for confidentiality. On a case by case basis, the Commission may be required to withhold from disclosure certain information about the location, character, or ownership of a historic property, including traditional religious sites.

Privacy Act Impact Assessment: Not applicable.

Needs and Uses: FCC Form 608 is a multipurpose form. It is used to provide notification or request approval for any spectrum leasing arrangement (“Lease”) entered into between an existing licensee in certain wireless services and a spectrum lessee. This form also is

required to notify or request approval for any spectrum subleasing arrangement (“Sublease”). The data collected on the form is used by the FCC to determine whether the public interest would be served by the Lease or Sublease. The form is also used to provide notification for any Private Commons Arrangement entered into between a licensee, lessee, or sublessee and a class of third-party users (as defined in Section 1.9080 of the Commission’s Rules).

This revised information collection reflects changes in rules applicable to Part 22 800 MHz Cellular Radiotelephone (“Cellular”) Service licensees and applicants, as adopted by the Commission in a Report and Order (“R&O”) on November 7, 2014 (WT Docket No. 12–40; RM No. 11510; FCC 14–181). In addition to other rule revisions that do not affect this information collection, the Commission adopted a revised rule Section 22.948(d) to require the electronic submission of maps (in GIS format and PDF) when the Cellular Service applicant submits Form 608.

The requirement very slightly increases the total annual burden hours for this information collection. FCC Form 608 itself is not being revised.

OMB Control No.: 3060–xxxx.

Title: Certification of TV Broadcast Licensee Technical Information in Advance of Incentive Auction.

Form No.: Form 2100, Schedule 381, Pre-Auction Technical Certification Form.

Type of Review: New information collection.

Respondents: Business or other for profit entities; not for profit institutions.

Number of Respondents and Responses: 2,170 respondents and 2,170 responses.

Estimated Time per Response: 2 hours.

Frequency of Response: One-time reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in Public Law 112–96, §§ 6402 (codified at 47 U.S.C. 309(j)(8)(G)), 6403 (codified at 47 U.S.C. 1452), 126 Stat. 156 (2012) (Spectrum Act).

Total Annual Burden: 2,170 hours.

Annual Cost Burden: \$542,500.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: Some assurances of confidentiality are being provided to the respondents. Parties filing Form 2100, Schedule 381 may seek confidential treatment of information they provide pursuant to

the Commission’s existing confidentiality rules (See 47 CFR 0.459).

Needs and Uses: The information gathered in this collection will be used to support the Federal Communications Commission’s efforts to hold an incentive auction, as required by the Middle Class Tax Relief and Job Creation Act of 2012 (Spectrum Act) (Pub. L. 112–96, §§ 6402 (codified at 47 U.S.C. 309(j)(8)(G)), 6403 (codified at 47 U.S.C. 1452), 126 Stat. 156 (2012)). In the Incentive Auction Order, the Commission directed the Media Bureau to develop a form to be submitted prior to the incentive auction by each full power and Class A broadcast licensee to certify that it has reviewed the technical data on file with the Commission related to its current license authorization and confirm that the technical data is correct with respect to actual operations FCC Form 2100, Schedule 381, Pre-Auction Technical Certification Form. See Expanding the Economic and Innovation Opportunities of Spectrum Through Incentive Auctions, Report and Order, GN Docket 12–268, Report and Order, 29 FCC Rcd 6567, 6820 (2014) (“Incentive Auction Order”). This data collection will also collect from licensees basic data regarding equipment currently in use at each licensed facility to facilitate the channel reassignment process following the completion of the incentive auction. Licensees will submit FCC Form 2100, Schedule 381 one time, at a deadline to be announced by the Media Bureau in advance of the incentive auction.
