

revised database for NSK's costs submitted later in the review. Timken argues that the Department should reject NSK's allegation on the grounds that NSK could have raised the allegation in its case brief and it is, therefore, now untimely. Nevertheless, we find that we made an inadvertent error in not using the revised database for NSK's costs and, therefore, are correcting and amending the final results of review in accordance with section 751(h) of the Act and 19 CFR 351.224(e). As a result, the weighted-average dumping margin for NSK changes from 1.55 percent to 1.43 percent. Furthermore, the rate for the respondents not selected for individual examination (except for Bayerische Motoren Werke AG) will be the new rate calculated for NSK, the sole respondent selected for individual examination. The weighted-average dumping margin for Bayerische Motoren Werke AG will remain unchanged from the *Final Results* because it was based on adverse facts available.

Amended Final Results of the Review

The Department determines that the following amended weighted-average dumping margins exist for the period May 1, 2010, through April 30, 2011:

Company	Weighted-average dumping margin (percent)
Bayerische Motoren Werke AG ..	254.25
Bosch Rexroth Limited	1.43
Caterpillar S.A.R.L	1.43
Caterpillar Group Services S.A ..	1.43
Caterpillar of Australia Pty Ltd ...	1.43
Caterpillar Overseas S.A.R.L	1.43
Caterpillar Marine Power UK	1.43
NSK	1.43
Perkins Engines Company Ltd ...	1.43

Disclosure

We will disclose the calculation memorandum used in our analysis to parties to this proceeding within five days of the date of the publication of this notice pursuant to 19 CFR 351.224(b).

Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), for NSK we calculated an importer-specific assessment rate by dividing the total amount of dumping for the reviewed sales by the total entered value of those reviewed sales for each importer.

Consistent with the Department's refinement to its assessment practice,

for entries of subject merchandise during the POR produced by NSK for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate un-examined entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁴

For the companies which were not selected for individual examination, we will instruct CBP to assess antidumping duties at a rate equal to the weighted-average dumping margin listed above for all entries of subject merchandise produced and/or exported by such firms.

We intend to issue liquidation instructions to CBP 15 days after publication of the amended final results of this administrative review.

Cash Deposit Requirements

Because we revoked the antidumping duty order on ball bearings and parts thereof from the United Kingdom effective September 15, 2011, no cash deposits for estimated antidumping duties on future entries of subject merchandise will be required.⁵

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Partial Rescission of Antidumping Duty Administrative Review; 2013-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On October 30, 2014, the Department of Commerce ("Department") initiated an administrative review of the antidumping duty order on new pneumatic off-the-road tires ("OTR tires") from the People's Republic of China ("PRC") for 12 companies.¹ Based on timely withdrawal of requests for review, we are now rescinding this administrative review with respect to Double Coin Holdings Ltd., Guizhou Tyre Co., Ltd., and Guizhou Tyre Import and Export Co., Ltd.

DATES: *Effective Date:* February 24, 2015.

FOR FURTHER INFORMATION CONTACT: Andrew Medley, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-4987.

Background

In September 2014, the Department received multiple timely requests to conduct an administrative review of the antidumping duty order on OTR tires from the PRC. Based upon these requests, on October 30, 2014, the Department published a notice of initiation of an administrative review covering the period of September 1, 2013, to August 31, 2014, with respect

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 79 FR 64565 (October 30, 2014) at 64567.

to 12 companies.² On November 20, 2014, Double Coin Holdings Ltd. (“Double Coin”) and China Manufacturers Alliance withdrew their request for review of Double Coin.³ On December 17, 2014, Guizhou Tyre Co., Ltd. and Guizhou Tyre Import and Export Co., Ltd. (collectively, “GTC”) withdrew their request for review.⁴

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90-days of the date of publication of notice of initiation of the requested review. Double Coin and GTC timely withdrew their requests for an administrative review on themselves; no other party requested a review of these companies.⁵ Accordingly, we are rescinding this review, in part, with respect to these companies, pursuant to 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as the only reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate

regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping and/or countervailing duties occurred and the subsequent assessment of double and/or increased antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: February 18, 2015.
