Foreign-Trade Zones Board

[B-12-2015]

**Foreign-Trade Zone (FTZ) 74—
Baltimore, Maryland; Notification of
Proposed Production Activity;
Mercedes Benz USA, LLC;
(Accessorizing Motor Vehicles);
Baltimore, Maryland**

The City of Baltimore, grantee of FTZ 74, submitted a notification of proposed production activity to the FTZ Board on behalf of Mercedes Benz USA, LLC (MBUSA), located in Baltimore, Maryland. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on February 18, 2015.

The MBUSA facility is located within Site 6 of FTZ 74. The facility is used for accessorizing passenger motor vehicles. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt MBUSA from customs duty payments on the foreign status components used in export production. On its domestic sales, MBUSA would be able to choose the duty rate during customs entry procedures that applies to passenger motor vehicles (duty rate 2.5%) for the foreign status components noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components sourced from abroad include: Plastic door sills and strips; wheel rim locks; metal door sills and strips; memory cards; navigation systems and related parts; entertainment systems; wiring sets and harnesses; storage compartments; spoilers; and,

cup holders (duty rate ranges from free to 5%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is April 13, 2015.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

Requests for additional information or copies of the information collection instrument and instructions should be directed to Mark Crace, (202) 482-8093, Mark.Crace@bis.doc.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information involves nine miscellaneous activities described in section 758 of the Export Administration Regulations (EAR) that are associated with the export of items controlled by the Department of Commerce. Most of these activities do not involve submission of documents to BIS but instead involve exchange of documents among parties in the export transaction to insure that each party understands its obligations under U.S. law. Others involve writing certain export control statements on shipping documents or reporting unforeseen changes in shipping and disposition of exported commodities. These activities are needed by the BIS's Office of Export Enforcement and the U.S. Customs and Border Protection to document export transactions, enforce the EAR and protect the National Security of the United States.

II. Method of Collection

Submitted electronically or on paper.

III. Data

OMB Control Number: 0694-0122.

Form Number: None.

Type of Review: Regular submission (extension of a current information collection).

Affected Public: Business or other for profit organizations.

Estimated Number of Respondents: 5.

Estimated Time per Response: 2 hours.

Estimated Total Annual Burden Hours: 78,576.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: February 25, 2015.

SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information is required by the Export Administration Regulations and the Federal Advisory Committee Act. The Technical Advisory Committees (TACs) were established to advise and assist the U.S. Government on export control matters such as proposed revisions to export control lists, licensing procedures, assessments of the foreign availability of controlled products, and export control

regulations. Under this collection, interested parties may submit a request to BIS to establish a new TAC. The Bureau of Industry and Security provides administrative support for these Committees.
