Under the Commission’s existing rules, a noncommercial educational (“NCE”) broadcast station may not conduct fundraising activities to benefit any entity besides the station itself if the activities would substantially alter or suspend regular programming. The NPRM proposes to relax the rules to allow NCE stations to spend up to one percent of their total annual airtime conducting on-air fundraising activities that interrupt regular programming for the benefit of third-party non-profit organizations.

A final rulemaking has not been adopted by the Commission to date. The Commission would like to keep this collection in OMB’s inventory. We will receive OMB final approval once the final rulemaking is adopted by the Commission.
