**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Furnishing Documents to the Secretary of Labor on Request Under ERISA Section 104(a)(6) information collection. Employee Retirement Income Security Act of 1974 (ERISA) section 104(a)(6) and related regulations at 29 CFR 2520.104a-8 require the administrator of an employee benefit plan covered by ERISA Title I to furnish certain documents relating to the plan on request to the Secretary of Labor. *See* 29 U.S.C. 1024.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0112.

OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection

requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 15, 2014 (79 FR 61903).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**.
