Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review; 2013-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (“Department”) is conducting the administrative review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam (“Vietnam”) for the period of review February 1, 2013, through January 31, 2014. The Department selected three mandatory respondents based on a sampling methodology, using the information available at the time of selection.¹ The Department preliminarily determines that sales of subject merchandise by the Minh Phu Group² and Thuan Phuoc³ were made below normal value (“NV”). The Department preliminarily determines that sales of subject merchandise by Fimex VN⁴ were not made below NV. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* March 9, 2015.

Scope of the Order

The merchandise subject to the *Order*⁵ is certain frozen warmwater shrimp. The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and for customs purposes, the written product description, available in the Preliminary Decision Memorandum, remains dispositive.⁶

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (“the Act”). Constructed export prices and export prices were calculated in accordance with section 772 of the Act. Because Vietnam is a nonmarket economy within the meaning of section 771(18) of the Act, NV was calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via the Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”).⁷ ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room 7046 of the main

The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Determination of No Shipments

Based on our analysis of U.S. Customs and Border Protection (“CBP”) information and information provided by a number of companies, we preliminarily determine that eight companies⁸ did not have any reviewable transactions during the POR. In addition, the Department finds, consistent with its refinement to its assessment practice in non-market economy cases, that it is appropriate not to rescind the review in part in these circumstances, but to complete the review with respect to these eight companies and issue appropriate instructions to CBP based on the final results of the review.⁹ For additional information regarding this determination, see the Preliminary Decision Memorandum.

Preliminary Results of Review

The Department finds that 56 companies for which a review was requested have not established eligibility for a separate rate and, thus, they are considered to be part of the Vietnam-wide entity for these preliminary results.¹⁰ The Department’s change in policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.¹¹ Under this policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity, the entity is not under review and the

(“Bien Dong”); (2) BIM Foods Joint Stock Company; (3) Cafatex Fishery Joint Stock Corporation; (4) Camau Seafood Processing and Service Joint-stock Corporation (“CASES”); (5) Camranh Seafoods Co., Ltd.; (6) Nhat Duc Co., Ltd.; (7) Phu Cuong Jostco Seafood Corporation; and (8) Seavina Joint Stock Company (“Seavina”).

¹² Due to the issues we have had in the past with variations of exporter names related to this *Order*, we remind exporters that the names listed below are the exact names, including spelling and punctuation which the Department will provide to CBP and which CBP will use to assess POR entries and collect cash deposits.

¹³ The Department previously collapsed the companies within the Minh Phu Group in the sixth administrative review. See *Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Preliminary Results of Administrative Review*, 77 FR 13547, 13549 (March 7, 2012), unchanged in *Certain Frozen Warmwater Shrimp*

From the Socialist Republic of Vietnam: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review, 77 FR 55800 (September 11, 2012). In this review, the Department reevaluated the collapsed entity based on a corporate structure and name change of one of the collapsed companies, Minh Phu Hau Giang Seafood Co., Ltd. See "Memorandum to the File, through Catherine Bertrand, Program Manager, Office V, from Irene Gorelik, Senior Analyst, Office V, re: Collapsing Determination for the Minh Phu Seafood Corporation and its Affiliates, with Minh Phu Hau Giang Seafood Joint Stock Company," dated concurrently with this notice. In this

memorandum, the Department found that Minh Phu Hau Giang Seafood Joint Stock Company is affiliated with the the Minh Phu Group group of companies, and that they comprise a single entity. Therefore, we will assign this rate to the companies in the single entity. The company name and trade names formerly used by Minh Phu Hau Giang Seafood Joint Stock Company have not been included above, for cash deposit purposes, based on the business license submitted on the record. However, the former names will be included for liquidation purposes at the conclusion of this review.

Disclosure and Public Comment

The Department will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of this notice. The Department intends to verify the information upon which we will rely for the final results. As such, the Department will establish the briefing schedule at a later time, and will notify parties of the schedule in accordance with 19 CFR 351.309. Parties who submit case briefs or rebuttal briefs are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁴ Rebuttal briefs must be limited to issues raised in the case briefs.¹⁵

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁶ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, the Department will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing. Interested parties are invited to comment on the preliminary results of this review.

The Department intends to issue the final results of this administrative review, including the results of our analysis of issues raised in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁷ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. For any

individually examined respondent whose weighted average dumping margin is above *de minimis* (i.e., is 0.50 percent or more) in the final results of this review, the Department will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of sales, in accordance with 19 CFR 351.212(b)(1).¹⁸ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. For the final results, if we continue to treat the 56 companies identified above as part of the Vietnam-wide entity, we will instruct CBP to apply an *ad valorem* assessment rate of 25.76 percent to all entries of subject merchandise during the POR which were produced and/or exported by those companies. The Department recently announced a refinement to its assessment practice in non-market economy cases. Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the Vietnam-wide rate. Additionally, if the Department determines that an exporter had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (i.e., at that exporter's rate) will be liquidated at the Vietnam-wide rate.¹⁹

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this

¹⁸ In these preliminary results, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012).

¹⁹ For a full discussion of this practice, see *Assessment Notice*.

administrative review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above, which have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Vietnam and non-Vietnam exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Vietnam exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the existing rate for the Vietnam-wide entity of 25.76 percent; and (4) for all non-Vietnam exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnam exporter that supplied that non-Vietnam exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: March 2, 2015.
