

European market in the cities of Lisbon, Madrid, Barcelona, London, and Paris; (2) to help participants assess current and future business prospects by establishing valuable contacts with prospective students and educational institutions/partners; and (3) to help participants develop market knowledge and relationships leading to student recruitment and potential partnerships.

Participation Requirements

All parties interested in participating in the mission to Europe must submit a complete application package for consideration to the U.S. Department of Commerce. All applicants will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria as outlined below. The mission will open on a rolling basis to a minimum of 13 and a maximum of 15 appropriately accredited U.S. educational institutions. Both U.S. educational institutions already recruiting students and developing partnerships in the region and those who are new to recruiting and developing partnerships in the region may apply.

Selection Criteria for Participation

- Consistency of the applicant's goals and objectives with the stated scope of the mission.
- Applicant's potential for doing business in Western Europe, including the likelihood of service exports (education)/knowledge transfer resulting from the mission.

Referrals from political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant's submission and will not be considered during the selection process.

Conditions for Participation

An applicant must submit a timely, completed, and signed mission application with supplemental application materials, including adequate information on course offerings, primary market objectives, and goals for participation. The institution must have appropriate accreditation as specified above. The institution must be represented at the student fair by an employee. No agents will be allowed to represent a school on the mission or participate at the student fair. Agents will also not be allowed into the fairs to solicit new partnerships. If the Department of Commerce receives an incomplete application, the Department may reject the application, request additional information, or take

the lack of information into account when evaluating the applications.

Participants must travel to stops in Portugal, Spain, United Kingdom on the mission. France is the only optional stop.

Each applicant must certify that the services it seeks to export through the mission are either produced in the United States, or, if not, marketed under the name of a U.S. firm and have at least 51 percent U.S. content of the value of the service.

Fees and Expenses

After an institution has been selected to participate on the mission, a payment to the Department of Commerce in the form of a participation fee is required. The participation fee is \$2,895 for one principal representative from each non-profit educational institution or educational institution with less than 500 employees and \$2,927 for for-profit universities with over 500 employees.¹ An institution can choose to participate in the optional stop in France for an additional \$1,009 for one principal representative from each non-profit educational institution or educational institution with less than 500 employees and \$1,026 for for-profit universities with over 500 employees. The fee for each additional representative is \$500. Expenses for lodging, some meals, incidentals, and all travel (except transportation previously noted) will be the responsibility of each mission participant. The U.S. Department of Commerce can facilitate government rates in some hotels.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<http://export.gov/industry/education/>) and other Internet Web sites, press releases to general and trade media, direct mail, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows. Recruitment for the

Melamine From the People's Republic of China and Trinidad and Tobago: Postponement of Preliminary Determinations of Antidumping Duty Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Effective March 12, 2015.

FOR FURTHER INFORMATION CONTACT: Paul Stolz (People's Republic of China) and Laurel LaCivita (Trinidad and Tobago), AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th

Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4474 and (202) 482-4243, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 2, 2014, the Department of Commerce (“Department”) initiated antidumping duty investigations on melamine from the People’s Republic of China (“PRC”) and Trinidad and Tobago.¹ Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.205(b)(1) state that the Department will make a preliminary determination no later than 140 days after the date of the initiation. The current deadline for the preliminary determinations of these investigations is no later than April 21, 2015.

Postponement of Preliminary Determination

On February 25, 2015, Cornerstone Chemical Company (“Petitioner”), made timely requests, pursuant to 19 CFR 351.205(e), for postponement of the preliminary determinations, in order to facilitate the Department’s analysis of respondents’ questionnaire responses and interested parties’ surrogate value data submissions, to resolve other outstanding issues, and to issue any necessary supplemental questionnaires. Because there are no compelling reasons to deny the requests, in accordance with section 733(c)(1)(A) of the Act, the Department is postponing the deadline for the preliminary determinations by 50 days.

For the reasons stated above, the Department, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations to no later than 190 days after the date on which the Department initiated these investigations. Therefore, the new deadline for the preliminary determinations is June 10, 2015. In accordance with section 735(a)(1) of the Act, the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).
