Administration for Community Living

Applications for New Awards; National Institute on Disability, Independent Living, and Rehabilitation Research—Research Fellowships Program

AGENCY: Administration for Community Living, HHS.

ACTION: Notice.

SUMMARY: *Overview Information:*

National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR)—Research Fellowships Program, Notice inviting applications for new awards for fiscal year (FY) 2015.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.133F-1.

DATES: *Applications Available:* March 16, 2015.

SUPPLEMENTARY INFORMATION:

Note: On July 22, 2014, President Obama signed the Workforce Innovation Opportunity Act (WIOA). WIOA was effective immediately. One provision of WIOA transferred the National Institute on Disability and Rehabilitation Research (NIDRR) from the Department of Education to the Administration for Community Living (ACL) in the Department of Health and Human Services. In addition, NIDRR's name was changed to the Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR). For FY 2015, all NIDILRR priority notices will be published as ACL notices, and ACL will make all NIDILRR awards. During this transition period, however, NIDILRR will continue to review grant applications using Department of Education tools. NIDILRR will post previously-approved application kits to grants.gov, and NIDILRR applications submitted to grants.gov will be forwarded to the Department of Education's G-5 system for peer review. We are using Department of Education application kits and peer review systems during this transition year in order

to provide for a smooth and orderly process for our applicants.

Date of Pre-Application Meeting: April 6, 2015.

Deadline for Transmittal of Applications: May 15, 2015.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Research Fellowships Program is to build research capacity by providing support to highly qualified individuals, including those who are individuals with disabilities, to conduct research on the rehabilitation of individuals with disabilities.

Fellows must conduct original research in an area authorized by section 204 of the Rehabilitation Act of 1973, as amended. Section 204 authorizes research, demonstration projects, training, and related activities, the purposes of which are to develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities, especially individuals with the most severe disabilities, and to improve the effectiveness of services authorized under the Act.

Note: An applicant should consult NIDRR's Long-Range Plan for Fiscal Years 2013–2017 (78 FR 20299) (the Plan) when preparing its application. The Plan is organized around the following outcome domains: (1) Community living and participation; (2) health and function; and (3) employment and can be accessed on the Internet at the following site: www.ed.gov/about/offices/list/osers/nidrr/policy.html.

Priority

The Research Fellowships Program permits two types of fellowships, Distinguished and Merit. Under the Research Fellowships competition, we are particularly interested in applications that address the following program priority.

Invitational Priority: For FY 2015, this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

The Administrator of the Administration for Community Living is particularly interested in applications from eligible applicants who are individuals with disabilities.

Program Authority: 29 U.S.C. 762(e).
