SUPPLEMENTARY INFORMATION: The DOJ published a new Department-wide Privacy Act system of records notice on February 21, 2012, titled “Debt Collection Enforcement System,” JUSTICE/DOJ–016, to reflect the consolidation of the Department’s debt collection enforcement systems that were previously maintained in various individual DOJ components into a single, centralized system. This system of records is maintained by the Department to cover records used by the Department’s components or offices, and/or contract private counsel retained by DOJ to perform legal, financial and administrative services associated with the collection of debts due the United States, including related negotiation, settlement, litigation, and enforcement efforts. The DOJ also published an accompanying exemption regulation on April 18, 2012 (77 FR 23117), to exempt certain records in this system of records from certain provisions of the Privacy Act.

In this modification, DOJ proposes to add a new routine use, paragraph “u”, to allow information from the Debt Collection Enforcement System to be disclosed to Federal or state agencies for the purpose of identifying, preventing, or recouping improper payments to an applicant for, or recipient of, Federal funds, including funds disbursed by a state in a state-administered, federally-funded program. This transfer of information is authorized pursuant to the Improper Payments Elimination and Recovery Act of 2010, as amended by the Improper Payments Elimination and Recovery Improvement Act of 2012;

E.O. 13520, dated November 20, 2009; and Presidential Memorandum—Enhancing Payment Accuracy Through a “Do Not Pay List,” dated June 18, 2010, which required agencies to review existing databases known collectively as the “Do Not Pay List” before the release of any Federal funds. The purpose of the “Do Not Pay List” is to help prevent, reduce, and stop improper payments from being made, and to identify and mitigate fraud, waste, and abuse.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on this modified system of records.
