

II. Public Comment Procedures

On Wednesday, April 22, 2015 at 3:00 p.m. members of the public will have the opportunity to make comments to the Advisory Board on the Wild Horse and Burro Program. Persons wishing to make comments during the meeting should register in person with the BLM by 2:00 p.m. on April 22, 2015, at the meeting location. Depending on the number of commenters, the Advisory Board may limit the length of comments. At previous meetings, comments have been limited to three minutes in length; however, this time may vary. Commenters should address the specific wild horse and burro-related topics listed on the agenda. Speakers are requested to submit a written copy of their statement to the address listed in the **ADDRESSES** section above or bring a written copy to the meeting. There may be a Webcam present during the entire meeting and individual comments may be recorded.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation. The BLM appreciates any and all comments. The BLM considers comments that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations to be the most useful and likely to influence BLM's decisions on the management and protection of wild horses and burros.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

SUPPLEMENTARY INFORMATION:

I. Background

The Middle Class Tax Relief and Job Creation Act of 2012 was signed into law on February 22, 2012. Subtitle D of Title II of the Act contains several provisions concerning the STC program, including Section 2166 requiring the Secretary of Labor to submit a final report to Congress on the implementation of the provisions of Subtitle D no later than four years after the date of enactment.

The STC program is an option within the Unemployment Insurance (UI) system that allows employers to reduce the hours of workers, while permitting workers to receive partial UI benefits for the non-worked hours. The objective of STC is to avoid layoffs during periods of reduced labor demand and thereby allow businesses to maintain their operations, retain valued employees, and prevent company morale from deteriorating. The program was first initiated in California in 1978 and a temporary national STC program was adopted in 1982 under the Tax Equity and Fiscal Responsibility Act (TEFRA, P.L. 97-248). The STC program became permanent in Federal law in 1992, when states were permitted to adopt their own STC programs as part of State UI laws. Under Section 303(a)(5) of the Social Security Act and Section 3304(a)(4) of the Federal Unemployment Tax Act, the Unemployment Trust Fund can pay for STC. Each state has an account within the Fund from which it pays UI benefits.

The Employment and Training Administration's Office of Unemployment Insurance has oversight responsibility for the STC program. The Chief Evaluation Office of the Department of Labor (DOL) is conducting a rigorous demonstration and impact evaluation of the STC
