Information Collection Request Submitted to OMB for Review and Approval; Comment Request; NSPS for Lime Manufacturing (Renewal)**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice.

SUMMARY: The Environmental Protection Agency has submitted an information collection request (ICR), "NSPS for Lime Manufacturing (40 CFR part 60, subpart HH) (Renewal)" (EPA ICR No. 1167.11, OMB Control No. 2060-0063) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*). This is a proposed extension of the ICR, which is currently approved through May 31, 2015. Public comments were previously requested via the **Federal Register** (79 FR 30117) on May 27, 2014 during a 60-day comment period. This notice allows for an additional 30 days for public comments. A fuller description of the ICR is given below, including its estimated burden and cost to the public. An Agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

DATES: Additional comments may be submitted on or before April 23, 2015.

ADDRESSES: Submit your comments, referencing Docket ID Number EPA-HQ-OECA-2014-0042, to (1) EPA online using www.regulations.gov (our preferred method), by email to docket.oeca@epa.gov, or by mail to: EPA Docket Center, Environmental Protection Agency, Mail Code 28221T, 1200 Pennsylvania Ave. NW., Washington, DC 20460, and (2) OMB via email to oir_submission@omb.eop.gov. Address comments to OMB Desk Officer for EPA.

EPA's policy is that all comments received will be included in the public docket without change including any personal information provided, unless the comment includes profanity, threats, information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.

Casmalia Resources Superfund Site; Notice of Proposed CERCLA Administrative De Minimis Settlement**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice; request for public comment.

SUMMARY: In accordance with section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended (CERCLA) and section 7003 of the Resource Conservation and Recovery Act (RCRA), EPA is hereby providing notice of a proposed administrative *de minimis* settlement concerning the Casmalia Resources Superfund Site in Santa Barbara County, California (the Casmalia Resources Site). Section 122(g) of CERCLA provides EPA with the authority to enter into administrative *de minimis* settlements. This settlement is intended to resolve the liabilities of the 337 settling parties identified below for the Casmalia Resources Site under sections 106 and 107 of CERCLA and section 7003 of RCRA. These parties have also elected to resolve their liability for response costs and potential natural resource damage claims by the United States Fish and Wildlife Service (USFWS) and the National Oceanic and Atmospheric Administration (NOAA). These 337 parties sent 15,558,106 lbs. of waste to the Casmalia Resources Site, which represents 0.0028 (0.28%) of the total Site waste of 5.6 billion pounds. This settlement requires these parties to pay over \$1.4 million to EPA.

DATES: EPA will receive written comments relating to the settlement until April 23, 2015. EPA will consider all comments it receives during this period, and may modify or withdraw consent to the settlement if any comments disclose facts or considerations indicating that the settlement is inappropriate, improper, or inadequate.

Public Meeting: In accordance with section 7003(d) of RCRA, 42 U.S.C. 6973(d), commenters may request an opportunity for a public meeting in the affected area. The deadline for requesting a public meeting is April 7, 2015. Requests for a public meeting may be made by contacting Russell Mechem by email at Mechem.russell@epa.gov. If a public meeting is requested, information about the date and time of the meeting will be published in the local newspaper, *The Santa Maria Times*, and will be sent to persons on the EPA's Casmalia Resources Site mailing list. To be added to the mailing list, please contact: Alejandro Diaz at (415)972-3242 or by email at diaz.alejandros@epa.gov. A copy of the settlement document may be obtained by calling (415) 369-0559 extension 10, and leaving a message with your name, phone number, and mailing address or email address.

ADDRESSES: Written comments should be addressed to Casmalia Case Team, U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street (mail code SFD-7-1), San Francisco, California 94105-3901, or may be sent by email to *Mechem.russell@epa.gov*.

FOR FURTHER INFORMATION CONTACT:

Additional information about the Casmalia Resources Site and about the proposed settlement may be obtained on the EPA-maintained Casmalia Resources Site Web site at: *http://www.epa.gov/region09/casmalia* or by calling Russell Mechem at (415) 972-3192.

Abstract: Owners and operators of carbon black production, ethylene production, cyanide chemicals manufacturing, and spandex production facilities are subject to 40 CFR part 63, subpart YY. They are required to provide initial notifications, performance tests, and periodic reports. They are also required to maintain records of the occurrence and duration of any startup, shutdown, or malfunction in the operation of an affected facility, or any period during which the monitoring system is inoperative. These notifications, reports, and records are essential in determining compliance, and are required of all affected facilities subject to NESHAP. This information is being collected to assure compliance with 40 CFR part 63, subpart YY.

Form Numbers: None.

Respondents/affected entities:

Owners and operators of carbon black production, ethylene production, cyanide chemicals manufacturing, and spandex production facilities.

Respondent's obligation to respond: Mandatory (40 CFR part 63, subpart YY).

Estimated number of respondents: 61 (total).

Frequency of response: Initially, occasionally, semiannually and annually.

Total estimated burden: 41,753 hours (per year). Burden is defined at 5 CFR 1320.3(b).

Total estimated cost: \$4,549,698 (per year), includes \$350,957 annualized capital or operation & maintenance costs.

Changes in the Estimates: There is an increase of 28,229 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. The respondent burden hours and costs increased because the previous
