Abstract: The purpose of Indian Education Formula Grant to Local Agencies, as authorized under title VII, part A, subpart 1 of the Elementary and Secondary Education Act (ESEA), as amended sections 7111-7119, 20 U.S.C. 7421-7429 is to assist applicants to provide Indian students with the opportunity to meet the same challenging state standards as all other students and meet the unique educational and culturally related academic needs of American Indian and Alaska Native students. The Indian Education Formula Grant (CFDA 84.060A) is not competitive or discretionary and requires the annual submission of the application from either a local education agency (LEA) and/or tribe. Therefore, the EASIE APR goes beyond the generic 524B APR and facilitates the collection of more specific and comprehensive data due to grantees entering project specific data into an online database. This will allow for a comparison of LEAs across objectives. By entering information into the EASIE APR database, data will be able to be generated quickly and uniformly to
