**AGENCY:** Office of Special Education and Rehabilitative Services, Department of Education.

**ACTION:** Notice.

*Overview Information:* Rehabilitation Services Administration (RSA)—Rehabilitation Training: Rehabilitation Long-Term Training Program—Rehabilitation Specialty Areas.

Notice inviting applications for new awards for fiscal year (FY) 2015.

Catalog of Federal Domestic Assistance (CFDA) Numbers: 84.129Q and W.

**DATES:**

*Applications Available:* March 25, 2015.

*Date of Pre-Application Webinar:* April 8, 2015.

*Deadline for Transmittal of Applications:* May 26, 2015.

*Deadline for Intergovernmental Review:* July 23, 2015.

**Full Text of Announcement**

**I. Funding Opportunity Description**

*Purpose of Program:* The Rehabilitation Long-Term Training program provides financial assistance for projects that provide—

(1) Basic or advanced training leading to an academic degree in areas of personnel shortages in rehabilitation as identified by the Secretary;

(2) A specified series of courses or program of study leading to the award of a certificate in areas of personnel shortages in rehabilitation as identified by the Secretary; and

(3) Support for medical residents enrolled in residency training programs in the specialty of physical medicine and rehabilitation.

*Priority:* This priority is from the notice of final priority for this program,

published on July 23, 2014 in the **Federal Register** (79 FR 42680).

*Absolute Priority:* For FY 2015 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is: *Rehabilitation Specialty Areas.*

The purpose of the priority is to fund programs leading to a master’s degree or certificate in one of two specialty areas: Rehabilitation of Individuals Who are Deaf or Hard of Hearing (84.129Q) and Comprehensive System of Personnel Development (84.129W). The goal of this priority is to increase the skills of scholars in these rehabilitation specialty areas so that, upon successful completion of their master’s degree or certificate programs, they are prepared to effectively meet the needs and demands of individuals with disabilities.

Under this priority, applicants must:

- (a) Provide data on the current and projected employment needs and

personnel shortages in the specialty area in State VR agencies and other related agencies as defined in 34 CFR 386.4 in their local area, region, and State, and describe how the proposed program will address those employment needs and personnel shortages.

(b) Describe how the proposed program will provide rehabilitation professionals with the skills and knowledge that will help ensure that the individuals with disabilities whom they serve can meet current demands and emerging trends in the labor market, including how:

(1) The curriculum provides a breadth of knowledge, experience, and rigor that will adequately prepare scholars to meet the employment needs and goals of VR consumers and aligns with evidence-based and competency-based practices in the rehabilitation specialty area;

(2) The curriculum prepares scholars to meet all applicable certification standards;

(3) The curriculum addresses new or emerging consumer needs or trends at the national, State, and regional levels in the rehabilitation specialty area;

(4) The curriculum teaches scholars to address the needs of individuals with disabilities who are from diverse cultural backgrounds;

(5) The curriculum trains scholars to assess the assistive technology needs of consumers, identify the most appropriate assistive technology services and devices for assisting consumers to obtain and retain employment, and train consumers to use such technology;

(6) The curriculum teaches scholars to work with employers effectively in today's economy, including by teaching strategies for developing relationships with employers in their State and local areas, identifying employer needs and skill demands, making initial employer contacts, presenting job-ready clients to potential employers, and conducting follow-up with employers; and

(7) The latest technology is incorporated into the methods of instruction (e.g., the use of distance education to reach scholars who live far from the university and the use of technology to acquire labor market information).

(c) Describe their methods to:

(1) Recruit highly capable prospective scholars who have the potential to successfully complete the academic program, all required practicum and internship experiences, and the required service obligation;

(2) Educate potential scholars about the terms and conditions of the service obligation under 34 CFR 386.4, 386.34, and 386.40 through 386.43 so that they

will be fully informed before accepting a scholarship;

(3) Maintain a system that ensures that scholars sign a payback agreement and an exit form when they exit the program, regardless of whether they drop out, are removed, or successfully complete the program;

(4) Provide academic support and counseling to scholars throughout the course of the academic program to ensure successful completion;

(5) Ensure that all scholars complete an internship in a State VR agency or a related agency as a requirement for completion of a program leading to a master's degree. The internship must be in a State VR agency unless the VR agency does not directly perform work related to the scholar's course of study or an applicant can provide sufficient justification that it is not feasible for all students receiving scholarships to complete an internship in a State VR agency. In such cases, the applicant may require scholars to complete an internship in a related agency, as defined in 34 CFR 386.4. Circumstances that would constitute sufficient justification may include, but are not limited to, a lack of capacity at the State VR agency to provide adequate supervision of scholars during their internship experience and the physical distance between scholars and the nearest office of the State VR agency (e.g., for scholars enrolled in distance-learning programs or at rural institutions). Applicants should include a written justification in the application or provide it to RSA for review and approval by the appropriate RSA Project Officer no later than 30 days prior to a scholar beginning an internship in a related agency. For applicants proposing a certificate program, the requirement for an internship in a State VR agency or a related agency is waived unless the certificate program has an internship requirement.

(6) Provide career counseling, including informing scholars of professional contacts and networks, job leads, and other necessary resources and information to support scholars in successfully obtaining and retaining qualifying employment;

(7) Maintain regular contact with scholars upon successful program completion to ensure that they have support during their search for qualifying employment as well as support during the initial months of their employment (e.g., by matching scholars with mentors in the field);

(8) Maintain regular communication with scholars after program exit to ensure that their contact information is current and that documentation of

employment is accurate and meets the regulatory requirements for qualifying employment; and

(9) Maintain accurate information on, while safeguarding the privacy of, current and former scholars from the time they are enrolled in the program until they successfully meet their service obligation.

(d) Describe a plan for developing and maintaining partnerships with State VR agencies and community-based rehabilitation service providers that includes:

(1) Coordination between the grantee and the State VR agencies and community-based rehabilitation service providers that will promote qualifying employment opportunities for scholars and formalized on-boarding and induction experiences for new hires;

(2) Formal opportunities for scholars to obtain work experiences through internships, practicum agreements, job shadowing, and mentoring opportunities; and

(3) When applicable, a scholar internship assessment tool that is developed to ensure a consistent approach to the evaluation of scholars in a particular program. The tool should reflect the specific responsibilities of the scholar during the internship. The grantee and worksite supervisor are encouraged to work together as they see fit to develop the assessment tool. Supervisors at the internship site will complete the assessment detailing the scholar's strengths and areas for improvement that must be addressed and provide the results of the assessment to the grantee. The grantee should ensure that (i) scholars are provided with a copy of the assessment and all relevant rubrics prior to beginning their internship, (ii) supervisors have sufficient technical support to accurately complete the assessment, and (iii) scholars receive a copy of the results of the assessment within 90 days of the end of their internship.

(e) Describe how scholars will be evaluated throughout the entire program to ensure that they are proficient in meeting the needs and demands of today's consumers and employers, including the steps that will be taken to provide assistance to a scholar who is not meeting academic standards or who is performing poorly in a practicum or internship setting.

(f) Describe how the program will be evaluated. Such a description must include:

(1) How the program will determine its effect over a period of time on filling vacancies in the State VR agency with qualified rehabilitation professionals

capable of providing quality services to consumers;

(2) How input from State VR agencies and community-based rehabilitation service providers will be included in the evaluation;

(3) How feedback from consumers of VR services and employers (including the assessments described in paragraph (d)(3)) will be included in the evaluation;

(4) How data from other sources, such as those from the Department on the State VR program, will be included in the evaluation; and

(5) How the data and results from the evaluation will be used to make necessary adjustments and improvements to the program.

*Fourth and Fifth Years of the Project:* In deciding whether to continue funding any Rehabilitation Long-Term Training project for the fourth and fifth years, the Secretary will consider the requirements of 34 CFR 75.253(a), and in addition—

(a) The recommendation of the RSA project officer who will monitor the reported annual performance of the grantee's training program and measure progress towards achieving the projections in the grantee's application. This review will consider the number of students actually enrolled in the grantee's training program, the number of students who successfully enter qualifying employment with State vocational rehabilitation (VR) agencies, and the number of students who obtain qualifying employment in related agencies;

(b) The timeliness and effectiveness with which all requirements of the grant award have been or are being met by the

grantee, including the submission of annual performance reports and annual RSA scholar payback program reports, and adherence to fiduciary responsibilities related to the budget submitted in the application; and

(c) The quality, relevance, and usefulness of the grantee's training program and activities, and the degree to which the training program and activities and their outcomes have contributed to significantly improving the quality of VR professionals ready for employment with State VR agencies and related agencies, as measured by the percentage of students entering eligible employment under 34 CFR 386.34.

Grantees must also provide assurances that they will abide by all of the administrative and performance reporting requirements associated with the RSA scholar payback program reports and will retain all the documentation, including the scholarship agreement, exit forms, and any other documentation, necessary to ensure students understand their financial responsibilities and liabilities under this program (34 CFR part 386).

**Note:** While applicants may not hire staff or select trainees based on race or national origin/ethnicity, they may conduct outreach activities to increase the pool of eligible minority candidates. We may disqualify and not consider for funding any applicant that indicates that it will hire or train a certain number or percentage of minority candidates.

**Program Authority:** 29 U.S.C. 772.

**Applicable Regulations:** (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 77, 79, 81, 82, 84, 86, and 99.

(b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended in 2 CFR part 3474. (d) The regulations for this program in 34 CFR parts 385 and 386. (e) The notice of final priority published in the **Federal Register** on July 23, 2014 (79 FR 42680).

**Note:** The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

**Note:** The regulations in 34 CFR part 86 apply only to institutions of higher education (IHEs).

Deadline for Transmittal of Applications: May 26, 2015.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. 5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:* To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for

Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

**Note:** Once your SAM registration is active, you will need to allow 24 to 48 hours for the information to be available in Grants.gov and before you can submit an application through Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at [www.SAM.gov](http://www.SAM.gov). To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: [www2.ed.gov/fund/grant/apply/sam-faqs.html](http://www2.ed.gov/fund/grant/apply/sam-faqs.html).

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: [www.grants.gov/web/grants/register.html](http://www.grants.gov/web/grants/register.html).

**7. Other Submission Requirements:** Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

**a. Electronic Submission of Applications.**

Applications for grants under the Rehabilitation Training: Rehabilitation Long-Term Training—Rehabilitation Specialty Areas competition, CFDA numbers 84.129Q and W, must be submitted electronically using the Governmentwide Grants.gov Apply site at [www.Grants.gov](http://www.Grants.gov). Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions.

Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Rehabilitation Training: Rehabilitation Long-Term Training Program—Rehabilitation Specialty Areas competition at [www.Grants.gov](http://www.Grants.gov). You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.129, not 84.129Q or W).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at [www.G5.gov](http://www.G5.gov).

- You will not receive additional point value because you submit your

application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

**Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:** If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

**V. Application Review Information**

1. **Selection Criteria:** The selection criteria for this competition are from 34 CFR 75.210 and 34 CFR 386.20 and are listed in the application package.

2. **Review and Selection Process:** We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. **Special Conditions:** Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

**VI. Award Administration Information**

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package

and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting*: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

In addition, all Rehabilitation Long-Term Training—Rehabilitation Specialty Areas grantees must submit the following quantitative and qualitative data in an annual performance report:

(a) Program activities that occurred during each fiscal year from October 1 to March 31 and projected program activities to occur from April 1 to September 30. For subsequent reporting years, grantees confirm projections made from the prior year;

(b) Summary of academic support and counseling provided to scholars to ensure successful completion;

(c) Summary of career counseling provided to scholars upon program completion to ensure that they have support during their search for qualifying employment, as well as during the initial months of their employment. This may include, but is not limited to, informing scholars of professional contacts, network opportunities, and job leads, matching scholars with mentors in the field, and connecting scholars to other necessary resources and information;

(d) Summary of partnership and coordination activities with State VR agencies and community-based rehabilitation providers. This may

include but is not limited to obtaining input and feedback regarding curricula from State VR agencies and community-based rehabilitation providers; organizing internships, practicum agreements, job shadowing, and mentoring opportunities; and assessing scholars at the work site;

(e) Assistance provided to scholars who may not be meeting academic standards or who are performing poorly in a practicum or internship setting;

(f) Results of the program evaluation, as well as information describing how these results will be used to make necessary adjustments and improvements to the program;

(g) Results from scholar internship, practicum, job shadowing, or mentoring assessments, as well as information describing how those results will be used to ensure that future scholars receive all necessary preparation and training prior to program completion;

(h) Results from scholar evaluations and information describing how these results will be used to ensure that future scholars will be proficient in meeting the needs and demands of today's consumers and employers;

(i) Number of scholars who began an internship during the reporting period;

(j) Number of scholars who completed an internship during the reporting period;

(k) Number of scholars who dropped out or were dismissed from the program during the reporting period;

(l) Number of scholars receiving RSA scholarships during the reporting period;

(m) Number of scholars who graduated from the program during the reporting period;

(n) Number of scholars who obtained qualifying employment during the reporting period;

(o) Number of vacancies filled in the State VR agency with qualified counselors from the program during the reporting period;

(p) A budget and narrative detailing expenditures covering the period of October 1 through March 31 and projected expenditures from April 1 through September 30. The budget narrative must also verify progress towards meeting the 10 percent match requirement. For subsequent reporting years, grantees will confirm projections made from the prior year; and

(q) Other information, as requested by RSA, in order to verify substantial progress and effectively report program impact to Congress and key stakeholders.

4. *Performance Measures*: The Government Performance and Results Act of 1993 (GPRA) directs Federal

departments and agencies to improve the effectiveness of programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of RSA's Rehabilitation Training: Rehabilitation Long-Term Training—Rehabilitation Specialty Areas program is to increase the number of qualified VR personnel, including counselors and other professional and paraprofessional staff, working in State VR or related agencies. At least 75 percent of total project funds must be used for direct payment of student scholarships.

Grantees are required to maintain a system that safeguards the privacy of current and former scholars from the time they are enrolled in the program until they successfully meet their service obligation through qualified employment or monetary repayment. This system must ensure that scholars sign a payback agreement and an exit form when they exit the program, regardless of whether they drop out, are removed, or successfully complete the program. Specifically, each grantee is required to maintain the following scholar information:

(a) Current contact information for all students receiving scholarships, including home address, email, and a phone number (home or cell);

(b) A point of contact for each scholar in the event that the grantee is unable to contact the student. This contact must be at least 21 years of age and may be a parent, relative, spouse, partner, sibling, or guardian;

(c) Cumulative financial support granted to scholars;

(d) Scholar debt in years;

(e) Program completion date and reason for exit for each scholar;

(f) Annual documentation from the scholar's employer(s) until the scholar completes the service obligation. This documentation must include the following elements in order to verify qualified employment: Start date of employment to the present date, confirmation of full-time or part-time employment (if the scholar is working part-time the number of hours per week must be included in the documentation), type of employment, and a description of the roles and responsibilities performed on the job. This information is required for each employer if the scholar has worked in more than one setting in order to meet the service obligation.

If the scholar is employed in a related agency, the agency must also provide documentation to validate that there is a relationship with the State VR agency.

This may be a formal or informal contract, cooperative agreement, memorandum of understanding, or related document;

(g) Annual documentation from the scholar's IHE to verify dates of deferral, if applicable. The documentation may be prepared by the scholar's advisor or department chair and must include: Confirmation of enrollment date, estimated graduation date, confirmation that the scholar is enrolled in a full-time course of study, and confirmation of the scholar's intent to fulfill the service obligation upon completion of the program.

Grantees are required to report annually to RSA on the data elements described above using the RSA Grantee Reporting Form, OMB number 1820-0617, an electronic reporting system supported by the RSA Management Information System (RSA MIS). In addition, grantees are required to utilize all forms required by RSA to prepare and process repayment, as well as requests for deferral and exceptions. The RSA Grantee Reporting Form collects specific data, including the number of scholars entering the rehabilitation workforce, the rehabilitation field each scholar enters, and the type of employment setting each scholar chooses (e.g., State VR agency, nonprofit service provider, or professional practice group). This form allows RSA to measure the progress towards achieving the goal of increasing the number of qualified VR personnel working in State VR and related agencies.

5. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

## DEPARTMENT OF EDUCATION

**[Catalog of Federal Domestic Assistance (CFDA) Number: 84.328M]**

### **Reopening; Applications for New Awards; Training and Information for Parents of Children With Disabilities—Parent Training and Information Centers**

**AGENCY:** Office of Special Education and Rehabilitative Services, Department of Education.

**ACTION:** Notice.

**SUMMARY:** On December 11, 2014, we published in the **Federal Register** (79

FR 73557) a notice inviting applications for the FY 2015 Parent Training and Information Centers competition (NIA). The notice established a deadline date of February 9, 2015, for the transmittal of applications. This notice reopens the competition for five days.

#### **DATES:**

*Deadline for Transmittal of Applications:* March 30, 2015.

*Deadline for Intergovernmental Review:* May 29, 2015.

**SUPPLEMENTARY INFORMATION:** A significant number of applications received in response to the NIA were not eligible because the applicants did not follow the formatting or deadline requirements in the NIA. Consequently, we did not receive eligible applications for a number of States. Therefore, we are reopening the competition to allow applicants to submit or resubmit applications that meet the requirements in the NIA, in order to ensure that parents in all States can be served by a Parent Training and Information Center.

Applicants that have already submitted applications under the FY 2015 Parent Training and Information Centers competition are encouraged to review their applications and determine whether they have met all eligibility requirements, including formatting requirements and the deadline for submission, in the NIA and the application package, which is available at <http://www2.ed.gov/programs/oseppic/applicant.html>.

Note that the NIA requires double spacing (no more than three lines per vertical inch) for all text in the application narrative, including titles, headings, footnotes, quotations, reference citations, and captions, as well as all text in charts, tables, figures, graphs, and screen shots.

Applicants may review a recorded Webinar that discusses the application requirements at <http://tadnet.adobeconnect.com/p763v5dg8fm/>.

As stated above, applicants may resubmit applications that may not have met all formatting requirements. Applicants that already submitted timely applications that meet all of the formatting requirements do not have to resubmit their applications. If a new application is not submitted, the Department will use the application that was submitted before the February 9, 2015, 4:30 p.m. EST deadline.

**Note:** Applications that did not meet the February deadline must be resubmitted to be considered for review.

*Note to Applicants:* The notice published on December 11, 2014, provides other information that applies
