SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Labor Condition Application for H-1B, H-1B1, and E-3 Non-Immigrants information collection. Immigration and Nationality Act (INA) sections 212(n) and (t) and 214(c) require this information collection. See 8 U.S.C. 1182(n) and (t) and 1184(c). The DOL and Department of Homeland Security have promulgated regulations to implement the INA. Specifically for this collection, 20 CFR 655 Subparts H and I and 8 CFR 214.2(h)(4) are applicable. The INA mandates that no alien may enter the U.S. for the purpose of performing professional work on a temporary basis unless the U.S. employer has attested to the Secretary of Labor that the working conditions for the alien will not adversely affect the working conditions of similarly employed U.S. workers; that the salary will be at least the prevailing wage for the occupational classification in the area of employment or the actual wage paid by the employer to all other individuals with similar experience and qualifications for the specific employment in question, whichever is higher; that there is no strike or lockout in the course of a labor dispute in the occupational classification at the place of employment; and that the employer has met all other requirements of the program as specified in the regulations. The information collection instruments are used by employers seeking to use non-immigrants (H-1B, H-1B1, E-3) in specialty occupations and as fashion models or by interested parties who want to report violations. The

information permits the DOL to meet its statutory responsibilities for program administration, management, and oversight.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0310.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on March 31, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on December 31, 2014 (79 FR 78910).
