

which are due from multiple parties simultaneously. In such a case, the Department will inform parties in the letter or memorandum setting forth the deadline (including a specified time) by which extension requests must be filed to be considered timely. This modification also requires that an extension request must be made in a separate, stand-alone submission, and clarifies the circumstances under which the Department will grant untimely-filed requests for the extension of time limits. These modifications are effective for all segments initiated on or after October 21, 2013. Review the final rule, available at <http://www.gpo.gov/fdsys/pkg/FR-2013-09-20/html/2013-22853.htm>, prior to submitting factual information in these segments.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), the Department will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (“APO”) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. The Department’s regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required From Interested Parties

Domestic interested parties, as defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department’s regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the

Department will automatically revoke the order without further review.⁴

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department’s regulations provide that all parties wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department’s information requirements are distinct from the Commission’s information requirements. Consult the Department’s regulations for information regarding the Department’s conduct of Sunset Reviews. Consult the Department’s regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: March 25, 2015.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE

International Trade Administration

[A–552–801]

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Initiation of Antidumping Duty New Shipper Review; 2014–2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Effective April 1, 2015.

SUMMARY: The Department of Commerce (“the Department”) received a timely request for a new shipper review (“NSR”) of the antidumping duty (“AD”) order on certain frozen fish fillets (“fish fillets”) from the Socialist Republic of Vietnam (“Vietnam”). The Department determines that the request meets the statutory and regulatory requirements for initiation. The period of review (“POR”) for this NSR is August 1, 2014, through January 31, 2015.

⁴ See 19 CFR 351.218(d)(1)(iii).

FOR FURTHER INFORMATION CONTACT:

Alexander Montoro, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202–482–0238.

SUPPLEMENTARY INFORMATION:

Background

The AD order on fish fillets from Vietnam was published in the **Federal Register** on August 12, 2003.¹ On February 27, 2015, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.214(b), the Department received an NSR request from Hai Huong Seafood Joint Stock Company (“HHFISH”).² HHFISH certified that it is a producer and exporter of the subject merchandise and that it exported, or sold for export, subject merchandise to the United States.³

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), HHFISH certified that it did not export subject merchandise to the United States during the period of investigation (“POI”).⁴ In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), HHFISH certified that, since the initiation of the investigation, it has never been affiliated with any Vietnamese exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the investigation.⁵ As required by 19 CFR 351.214(b)(2)(iii)(B), HHFISH also certified that its export activities were not controlled by the central government of Vietnam.⁶

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), HHFISH submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.⁷

Finally, the Department conducted a U.S. Customs and Border Protection (“CBP”) database query and confirmed

⁷ *Id.* at Exhibit 1.

the price, quantity, date of sale, and date of entry of the sale at issue.⁸

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on the evidence provided by HHFISH, we find that the request submitted by HHFISH meets the requirements for initiation of the NSR for shipments of fish fillets from Vietnam produced and exported by HHFISH.⁹ The POR is August 1, 2014, through January 31, 2015.¹⁰ Absent a determination that the case is extraordinarily complicated, the Department intends to issue the preliminary results of this NSR within 180 days from the date of initiation and the final results within 270 days from the date of initiation.¹¹

In cases involving non-market economy countries, the Department requires a company seeking to establish eligibility for an AD rate separate from the country-wide rate to provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to HHFISH that will include a section requesting information with regard to HHFISH's export activities for separate rate purposes. The review of HHFISH will proceed if the response provides sufficient indication that it is not subject to either *de jure* and *de facto* government control with respect to its exports of fish fillets.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from the requesting company in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because HHFISH certified that it both produced and exported the subject merchandise, the sale of which is the basis for the NSR request, we will instruct CBP to permit the use of a bond only for subject merchandise which HHFISH both produced and exported.

Interested parties requiring access to proprietary information in this NSR should submit applications for

disclosure under administrative protective order, in accordance with 19 CFR 351.305 and 19 CFR 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act, as well as 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: March 24, 2015.

Gary Taverman,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Permitting, Vessel Identification, and Reporting Requirements for Deepwater Shrimp Fisheries in the Western Pacific Region

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before June 1, 2015.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Walter Ikehara, (808) 725-5175 or Walter.Ikehara@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for extension of a currently approved information collection.

Under the Code of Federal Regulations in Title 50, Part 665, all vessel owners who fish for deepwater shrimp (*Heterocarpus* spp.), or land these species in ports, in the western Pacific region must obtain a Federal

permit from the National Marine Fisheries Service (NMFS). They must also mark their vessels for identification. Vessel operators must submit NMFS logbook reports of their fishing activity to NMFS within 72 hours of the end of each fishing trip.

The information collected is used to identify participants in the fishery, document fishing activities and landings, determine the conditions of the stocks, assess the effectiveness of management measures, evaluate the benefits and costs of changes in management measures, and monitor and respond to accidental takes of protected species, including seabirds, turtles, and marine mammals.

Vessel owners must identify their vessels to assist in aerial and at-sea enforcement of fishing regulations.

II. Method of Collection

Respondents have a choice of either electronic or paper forms. Methods of submittal include email of electronic forms and mail and facsimile transmission of paper forms.

III. Data

OMB Control Number: 0648-0586.

Form Number: None.

Type of Review: Regular submission (extension of a currently approved collection).

Affected Public: Business or other for-profit organizations; individuals or households.

Estimated Number of Respondents: 10.

Estimated Time per Response: Permit applications, 30 minutes; logsheets, 15 minutes; vessel identification, 45 minutes.

Estimated Total Annual Burden Hours: 75.

Estimated Total Annual Cost to Public: \$400 in recordkeeping/reporting costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or

⁸ The Department will place the results of the completed CBP database query along with HHFISH's entry documents on the record shortly after the publication of this notice.
