## ENVIRONMENTAL PROTECTION AGENCY

[FRL 9925–91–OGC]

### Proposed Consent Decree, Clean Air Act Citizen Suit

**AGENCY:** Environmental Protection Agency (EPA)

**ACTION:** Notice of Proposed Consent Decree; Request for Public Comment

**SUMMARY:** In accordance with section 113(g) of the Clean Air Act, as amended (“CAA” or the “Act”), notice is hereby given of a proposed consent decree to address a lawsuit filed by Bill Green (“Plaintiff”): *Bill Green v. McCarthy*, No. 4:14-cv-05093–TOR (E.D. WA). On September 10, 2014, Plaintiff filed this complaint alleging that Gina McCarthy, in her official capacity as Administrator of the United States Environmental Protection Agency (“EPA” or “the Agency”), failed to perform a non-discretionary duty to grant or deny within 60 days two petitions submitted by Plaintiff. In his petitions, Plaintiff requested that EPA object to a CAA title V permit issued by the Washington State Department of Ecology to the United States Department of Energy, for purposes of operating the Hanford Site in Benton County, Washington. The proposed consent decree would establish a deadline for EPA to respond to these petitions.

**DATES:** Written comments on the proposed consent decree must be received by May 11, 2015.

**ADDRESSES:** Submit your comments, identified by Docket ID number EPA–HQ–OGC–2015–0253, online at [www.regulations.gov](http://www.regulations.gov) (EPA's preferred method); by email to [oei.docket@epa.gov](mailto:oei.docket@epa.gov); by mail to EPA Docket Center, Environmental Protection Agency, Mailcode: 2822T, 1200 Pennsylvania Ave. NW., Washington, DC 20460–0001; or by hand delivery or courier to EPA Docket Center, EPA West, Room 3334, 1301 Constitution Ave. NW., Washington, DC, between 8:30 a.m. and 4:30 p.m. Monday through Friday,

excluding legal holidays. Comments on a disk or CD-ROM should be formatted in Word or ASCII file, avoiding the use of special characters and any form of encryption, and may be mailed to the mailing address above.

**FOR FURTHER INFORMATION CONTACT:** Jonathan Skinner-Thompson, Air and Radiation Law Office (2344A), Office of General Counsel, U.S. Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington, DC 20460; telephone: (202) 564-0291; email address: [skinner-thompson.jonathan@epa.gov](mailto:skinner-thompson.jonathan@epa.gov).

**SUPPLEMENTARY INFORMATION:**

**I. Additional Information About the Proposed Consent Decree**

This proposed consent decree would resolve a lawsuit filed by Plaintiff seeking to compel the Administrator to take actions under CAA section 505(b)(2). Under the terms of the proposed consent decree, EPA would agree to sign a response to the petitions by May 29, 2015. The proposed consent decree also provides for the possibility that circumstances beyond EPA's reasonable control could delay compliance with the May 29, 2015 deadline, and provides a framework for extending that deadline. In addition, the proposed consent decree also enumerates Plaintiff's right to seek costs of litigation, including reasonable attorneys' fees, and provides that payment of those costs will constitute a full and complete settlement of all of Plaintiff's costs in connection with this litigation.

For a period of thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed consent decree from persons who are not named as parties or intervenors to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determines that consent to this consent decree should be withdrawn, the terms of the consent decree will be affirmed.

**II. Additional Information About Commenting on the Proposed Consent Decree**

*A. How can I get a copy of the proposed consent decree?*

The official public docket for this action (identified by Docket ID No. EPA-HQ-OGC-2015-0253) contains a

copy of the proposed consent decree. The official public docket is available for public viewing at the Office of Environmental Information (OEI) Docket in the EPA Docket Center, EPA West, Room 3334, 1301 Constitution Ave. NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the OEI Docket is (202) 566-1752.

An electronic version of the public docket is available through [www.regulations.gov](http://www.regulations.gov). You may use the [www.regulations.gov](http://www.regulations.gov) to submit or view public comments, access the index listing of the contents of the official public docket, and access those documents in the public docket that are available electronically. Once in the system, key in the appropriate docket identification number then select "search."

It is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing online at [www.regulations.gov](http://www.regulations.gov) without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. Information claimed as CBI and other information whose disclosure is restricted by statute is not included in the official public docket or in the electronic public docket. EPA's policy is that copyrighted material, including copyrighted material contained in a public comment, will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the EPA Docket Center.

*B. How and to whom do I submit comments?*

You may submit comments as provided in the **ADDRESSES** section. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an email address or other contact information in the body of your comment and with any disk or CD ROM you submit. This ensures that you can be identified as the

submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the [www.regulations.gov](http://www.regulations.gov) Web site to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, email address, or other contact information unless you provide it in the body of your comment. In contrast to EPA's electronic public docket, EPA's electronic mail (email) system is not an "anonymous access" system. If you send an email comment directly to the Docket without going through [www.regulations.gov](http://www.regulations.gov), your email address is automatically captured and included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket.
