Background

On February 19, 2015, a petition was filed with the Commission and Commerce by Felman Production LLC, Letart, West Virginia, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of silicomanganese from Australia. Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of February 26, 2015 (80 FR 10511). The conference was held in Washington, DC, on March 12, 2015, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission completed and filed its determination in this investigation on April 7, 2015. The views of the Commission are contained in USITC Publication 4528 (April 2015), entitled *Silicomanganese from Australia: Investigation No. 731-TA-1269 (Preliminary)*.
