The Forum will have U.S. and Indian co-chairs; the Secretary of Commerce and the Deputy National Security Advisor for International Economic Affairs will co-chair the Forum on the U.S. side. The Forum will include a Committee comprising private sector members. The Committee will be composed of two Sections, with the U.S. section consisting of up to 17 members from the private sector representing the views and interests of the private sector business community in the United States. Each government will appoint the members to its respective Section. The Committee will provide recommendations to the two governments and their senior officials that reflect private sector views, needs, and concerns about the creation of an environment in which their respective private sectors can partner, thrive, and enhance bilateral commercial ties to expand trade and economic links between the United States and India. The Committee will work in tandem with, and provide input to, the U.S.-India Strategic and Commercial Dialogue.

Candidates are currently being sought for membership on the U.S. Section of the Committee. Each candidate must be the Chief Executive Officer or President (or have a comparable level of responsibility) of a U.S.-owned or controlled company that is incorporated in and has its main headquarters located in the United States and is currently doing business in both India and the United States. Each candidate also must be a U.S. citizen or otherwise legally authorized to work in the United States and be able to travel to India and locations in the United States to attend official Forum meetings as well as U.S.

Section meetings. In addition, the candidate may not be a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.

- A demonstrated strong interest in India and its economic development.
- The ability to offer a broad perspective and business experience to the discussions.
- The ability to address cross-cutting issues that affect the entire business community.
- The ability to initiate and be responsible for activities in which the Forum will be active.

- Prior work by the applicant on the U.S. Section of the Committee.

The evaluation of applications for membership in the U.S. Section will be undertaken by a committee of staff from multiple U.S. Government agencies. Members will be selected on the basis of who best will carry out the objectives of the Forum as stated in the first paragraph under Supplementary Information, above. The U.S. Section of the Committee should also include members who represent a diversity of business sectors and geographic locations. To the extent possible, Section members also should include representation from small, medium, and large firms.

U.S. Section members will receive no compensation for their participation in Forum-related activities. Individual members will be responsible for all travel and related expenses associated with their participation in the Forum, including attendance at Committee and Section meetings. It is anticipated that the next Forum meeting will be held later in 2015. The U.S. and Indian Sections should be prepared to work together ahead of that time to prepare recommendations to the U.S. and Indian governments. Only appointed members may participate in official Forum meetings; substitutes and alternates will not be designated. U.S. Section members will normally serve for two-year terms but may be reappointed. In the event of a vacancy after members of the U.S. Section are appointed, candidates not previously selected may be considered to fill the vacancy based on material submitted in response to this notice.

Certain Oil Country Tubular Goods From the People’s Republic of China: Final Results of Expedited First Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) finds that revocation of the countervailing duty (CVD) order on certain oil country tubular goods (OCTG) from the People’s Republic of China (PRC) would be likely to lead to continuation or recurrence of countervailable subsidies at the levels indicated in the “Final Results of Sunset Review” section of this notice.

DATES: *Effective Date:* April 10, 2015.

FOR FURTHER INFORMATION CONTACT: Shane Subler, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-0189.

SUPPLEMENTARY INFORMATION:

Background

On January 20, 2010, the Department published the CVD order on OCTG from the PRC.¹ On December 1, 2014, the Department published a notice of initiation of the first sunset review of the *CVD Order* on OCTG from the PRC, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).²

On December 3, 2014, Maverick Tube Corporation (Maverick) timely notified the Department of its intent to participate.³ On December 10, 2014, Boomerang Tube (Boomerang), Energex Tube, a division of JMC Steel Group (Energex Tube), EVRAZ Rocky Mountain Steel (“EVRAZ”), IPSCO Tubulars, Inc. (IPSCO), Tejas Tubular Products, Inc. (Tejas Tubular), Vallourec Star, L.P. (Vallourec), and Welded Tube USA Inc. (Welded Tube) filed their intent to participate.⁴

On December 15, 2014, United States Steel Corporation (U.S. Steel) likewise timely notified the Department of its intent to participate.⁵ On December 31, 2014, the Department received an adequate substantive response from Boomerang, Energex Tube, EVRAZ, IPSCO, Maverick, Tejas Tubular, U.S. Steel, Vallourec, and Welded Tube within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁶ The Department did not receive substantive responses from any respondent interested party. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited (120-day) sunset review of the CVD order on OCTG from the PRC.

Scope of the Order

This order covers OCTG. The Issues and Decision Memorandum, which is hereby adopted by this notice, provides a full description of the scope of the order.⁷

The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).⁸ ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Analysis of Comments Received

In the Issues and Decision Memorandum, we have addressed all issues that parties raised in this review. The issues include the likelihood of continuation or recurrence of countervailable subsidies and the net countervailable subsidies likely to prevail if the Department revoked the order.

Final Results of Sunset Review

Pursuant to sections 752(b)(1) and (3) of the Act, we determine that revocation of the *CVD Order* would be likely to lead to continuation or recurrence of countervailable subsidies at the following net countervailable subsidy rates:

Jiangsu Changbao Steel Tube Co. and Jiangsu Changbao Precision Steel Tube Co., Ltd	22.87
Tianjin Pipe (Group) Co., Tianjin Pipe Iron Manufacturing Co., Ltd., Tianguan Yuantong Pipe Product Co., Ltd., Tianjin Pipe International Economic and Trading Co., Ltd., and TPCO Charging Development Co., Ltd	20.90
