### Disclosure

We will disclose calculation memoranda used in our analysis to parties to these proceedings within five days of the date of publication of this notice.<sup>9</sup>

### Assessment

In accordance with 19 CFR 351.212 and the *Final Modification*,<sup>10</sup> the Department will instruct U.S. Customs and Border Protection (CBP) to liquidate all appropriate entries for Super Impex without regard to antidumping duties.

Consistent with the Department's refinement to its assessment practice, for entries of subject merchandise during the POR produced by Super Impex for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>11</sup> Similarly, with regard to any subject merchandise produced by AR Printing that entered the United States during the POR *via* resellers without the knowledge of AR Printing, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>12</sup>

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon

publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Super Impex will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.91 percent, the all-others rate established in the original antidumping investigation.<sup>13</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

### Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations

and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

Dated: April 3, 2015.

The Forum will have U.S. and Indian co-chairs; the Secretary of Commerce and the Deputy National Security Advisor for International Economic Affairs will co-chair the Forum on the U.S. side. The Forum will include a Committee comprising private sector members. The Committee will be composed of two Sections, with the U.S. section consisting of up to 17 members from the private sector representing the views and interests of the private sector business community in the United States. Each government will appoint the members to its respective Section. The Committee will provide recommendations to the two governments and their senior officials that reflect private sector views, needs, and concerns about the creation of an environment in which their respective private sectors can partner, thrive, and enhance bilateral commercial ties to expand trade and economic links between the United States and India.
