

In making these findings, we relied, in part, on facts otherwise available on the administrative record because AR Printing: (1) Failed to respond to the Department's requests for necessary information and therefore necessary information was not on the record; (2) withheld requested information; (3) failed to provide requested information by the established deadlines; and (4) significantly impeded this proceeding. See sections 776(a)(1) and (2)(A)–(C) of the Act. Furthermore, because we determine that AR Printing failed to cooperate by not acting to the best of its ability to comply with the Department's requests for information, we drew an adverse inference in selecting from among the facts otherwise available. See section 776(b) of the Act.

### Changes Since Preliminary Results

After the *Preliminary Results*, the Department verified information from the GOI concerning the Market Development Assistance, Status Certificate, and Market Access Initiative programs.<sup>14</sup> Based on the findings at verification and for the reasons set forth in the Decision Memorandum, we find that AR Printing did not use these three programs during the POR. Therefore, we did not include subsidy rates for these programs when determining the AFA attributable to AR Printing.

For a full description of the analysis concerning the Status Certificate, Market Access Initiative, and Market Development programs, see the Issues and Decision Memorandum, which also incorporates by reference our analysis from the *Preliminary Results* pertaining to other programs for which the Department's analysis and determinations have not changed. For all other issues, see the Preliminary Decision Memorandum.

### Final Results of Review

In accordance with 19 CFR 351.221(b)(5), we calculated the listed net subsidy rate for 2012:

Company	Net subsidy rate
A.R. Printing & Packaging India Pvt. Ltd. (AR Printing).	37.43 percent <i>ad valorem</i> .

of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

<sup>14</sup> See Memorandum to Eric B. Greynolds, Program Manager, AD/CVD Duty Operations, Office III, "Verification of the Questionnaire Responses Submitted by the Government of India," (March 4, 2015) (GOI Verification Report).

### Assessment Rates

The Department intends to issue appropriate assessment instructions directly to U.S. Customs and Border Protection (CBP) 15 days after publication of these final results of review, to liquidate shipments of subject merchandise produced and/or exported by AR Printing, entered, or withdrawn from warehouse, for consumption on or after January 1, 2012, through December 31, 2012, at the *ad valorem* rate listed above.

### Cash Deposit Instructions

The Department intends to instruct CBP to collect cash deposits of estimated CVDs in the amount shown above for AR Printing on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results of review. For all non-reviewed firms, we will instruct CBP to collect cash deposits of estimated CVDs at the most recent company-specific or all-others rate applicable to the company. Accordingly, the cash deposit requirements that will be applied to companies covered by this order, but not examined in this review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Administrative Protective Order

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 6, 2015.

#### Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

*Agency:* National Oceanic and Atmospheric Administration (NOAA).

*Title:* West Coast Region Vessel Identification Requirements.

*OMB Control Number:* 0648-0355.

*Form Number(s):* None.

*Type of Request:* Regular (extension of a currently approved information collection).

*Number of Respondents:* 1,125.

*Average Hours Per Response:* 45 minutes.

*Burden Hours:* 169.

*Needs and Uses:* This request is for extension of a currently approved information collection.

The success of fisheries management programs depends significantly on regulatory compliance. The vessel identification requirement is essential to facilitate enforcement. The ability to link fishing (or other activity) to the vessel owner or operator is crucial to enforcement of regulations issued under the authority of the Magnuson-Stevens Fishery Conservation and Management Act. A vessel's official number is required to be displayed on the port and starboard sides of the deckhouse or hull, and on a weather deck. It identifies each vessel and should be visible at distances

at sea and in the air. Law enforcement personnel rely on vessel marking information to assure compliance with fisheries management regulations. Vessels that qualify for particular fisheries are also readily identified, and this allows for more cost-effective enforcement. Cooperating fishermen also use the vessel numbers to report suspicious or non-compliant activities that they observe in unauthorized areas. The identifying number on fishing vessels is used by the National Marine Fisheries Service (NMFS), the United States Coast Guard (USCG), and other marine agencies in issuing regulations, prosecutions, and other enforcement actions necessary to support sustainable fisheries behaviors as intended in regulations. Regulation-compliant fishermen ultimately benefit from these requirements, as unauthorized and illegal fishing is deterred and more burdensome regulations are avoided.

**Affected Public:** Business or other for-profit organizations.

**Frequency:** Every 5 years.

**Respondent's Obligation:** Mandatory.

This information collection request may be viewed at [reginfo.gov](http://reginfo.gov). Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov) or fax to (202) 395-5806.

Dated: April 7, 2015.

#### Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Construction of the Block Island Transmission System

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; proposed revised incidental harassment authorization; request for comments.

**SUMMARY:** NMFS received a joint request from Deepwater Wind Block Island Transmission, LLC (DWBIT) and the

Narragansett Electric Company (a subsidiary of National Grid USA), doing business as National Grid (TNEC), to transfer from DWBIT to TNEC, a Marine Mammal Protection Act (MMPA) one-year Incidental Harassment Authorization (IHA) to take marine mammals, by harassment, incidental to construction of the Block Island Transmission System (BITS), following the sale of the BITS from DWBIT to TNEC. No other changes are proposed. NMFS is inviting comments on the proposed transfer of the BITS IHA from DWBIT to TNEC.

**DATES:** Comments and information must be received no later than May 13, 2015.

**ADDRESSES:** Comments on the proposed revised IHA should be addressed to Jolie Harrison, Chief, Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910. The mailbox address for providing email comments is [itp.fiorentino@noaa.gov](mailto:itp.fiorentino@noaa.gov). Comments sent via email, including all attachments, must not exceed a 10-megabyte file size. NMFS is not responsible for comments sent to addresses other than those provided here.

**Instructions:** All comments received are a part of the public record and will generally be posted to <http://www.nmfs.noaa.gov/pr/permits/incidental/> without change. All Personal Identifying Information (for example, name, address, etc.) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information.

An electronic copy of DWBIT's original IHA application and current IHA for the BITS may be obtained by visiting the internet at: <http://www.nmfs.noaa.gov/pr/permits/incidental/>. NMFS prepared an Environmental Assessment and Finding of No Significant Impact on the issuance of the BITS IHA on August 21, 2014 which are available at the same internet address.

#### SUPPLEMENTARY INFORMATION:

##### Background

Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified

geographical region if certain findings are made and either regulations are issued or, if the taking is limited to harassment, a notice of a proposed authorization is provided to the public for review.

An authorization for incidental takings shall be granted if NMFS finds that the taking will have a negligible impact on the species or stock(s), will not have an unmitigable adverse impact on the availability of the species or stock(s) for subsistence uses (where relevant), and if the permissible methods of taking and requirements pertaining to the mitigation, monitoring and reporting of such takings are set forth.

#### Summary of Request

On August 22, 2014, NMFS issued an IHA to DWBIT to take marine mammals, by Level B harassment, incidental to construction of the BITS, effective from November 1, 2014 through October 31, 2015 (79 FR 51314). On January 30, 2015, DWBIT sold the BITS, in its entirety, to TNEC. The BITS, a bi-directional submarine transmission cable, will interconnect Block Island to TNEC's existing distribution system in Narragansett, Rhode Island. To date, no construction has occurred.

DWBIT and TNEC subsequently submitted a written request to transfer the current IHA from DWBIT to TNEC. With the transfer of the BITS IHA, TNEC agrees to comply with the associated terms, conditions, stipulations, and restrictions of the original BITS IHA. No other changes were requested. The revised IHA, if issued, would remain effective from November 1, 2014, through October 31, 2015.

This **Federal Register** notice sets forth only a proposed change in the BITS IHA holder's name. There are no other changes to the current IHA as described in the August 28, 2014, **Federal Register** notice of a final IHA (79 FR 51314): the specified activity; description of marine mammals in the area of the specified activity; potential effects on marine mammals and their habitat; mitigation and related monitoring used to implement mitigation; reporting; estimated take by incidental harassment; negligible impact and small numbers analyses and determinations; impact on availability of affected species or stocks for subsistence uses and the period of effectiveness remain unchanged and are herein incorporated by reference.

#### Proposed Revision to BITS IHA

NMFS is proposing a change in the name of the holder of the BITS IHA from "Deepwater Wind Block Island
