

their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National

Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule simply promulgates the operating regulations or procedures for drawbridges. This rule is categorically excluded, under figure 2–1, paragraph (32)(e), of the Instruction.

Under figure 2–1, paragraph (32)(e), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

■ 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05–1; Department of Homeland Security Delegation No. 0170.1.

■ 2. Revise § 117.875 to read as follows:

§ 117.875 Coquille River.

The draws of the US 101 highway bridge, mile 3.5 at Bandon, Oregon, need not be opened for the passage of vessels; however, the draws shall be restored to operable condition within 6 months after notification by the District Commander to do so.

Dated: April 2, 2015.

R.T. Gromlich,

Rear Admiral, U.S. Coast Guard, Commander, Thirteenth Coast Guard District.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG–2015–0236]

RIN 1625–AA00

Safety Zone; Sabine River, Orange, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the navigable waters of the Sabine River in Orange, TX in support of Deep South Racing Association boat races. This

temporary safety zone is necessary to protect the surrounding public and vessels from the hazards associated with a boat race competition. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port or his designated representative.

DATES: This rule is effective on May 30 and 31, 2015. This rule will be enforced from 8:30 a.m. until 6:00 p.m. on May 30 and May 31, 2015.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2015–0236]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. Scott Whalen, U.S. Coast Guard MSU Port Arthur, (409) 719–5086 or email, scott.k.whalen@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

DSRA Deep South Racing Association
DHS Department of Homeland Security
FR Federal Register
LNM Local Notice to Mariners
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. The Coast Guard received notice on March 16, 2015 that this event is planned to take

place May 30 and 31, 2015. Upon full review of the event details, the Coast Guard determined that additional safety measures are necessary. Completing the full NPRM process would be impracticable, delaying the effective date for this safety zone. Immediate action is necessary to protect event participants and members of the public from hazards associated with high speed boat races on the waterway. This event is advertised and the local community has planned for this event. Delaying the safety zone may also unnecessarily interfere with the planned event and possible contractual obligations.

The Coast Guard will notify the public and maritime community that the safety zone will be in effect and of its enforcement periods via broadcast notices to mariners (BNM) and will be published in the Local Notice to Mariners (LNM).

B. Basis and Purpose

The Deep South Racing Association (DSRA) is holding a two day watercraft race competition on the Sabine River in Orange, TX on May 30 and 31, 2015. This event poses a hazard to life and property as it involves high speed watercraft racing in a narrow waterway used by other commercial and recreational vessel traffic. Additionally, the race event is likely to attract spectator craft to the area. The Coast Guard determined that a temporary safety zone is needed to protect spectators as well as persons participating in the event. The legal basis and authorities for this rulemaking establishing a safety zone are found in 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1; 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish and define regulatory safety zones.

C. Discussion of the Temporary Final Rule

The Coast Guard is establishing a temporary safety zone encompassing all waters of the Sabine River, shoreline to shoreline, adjacent to the Naval Reserve Unit and the Orange public boat ramps located in Orange, TX. The northern boundary is from the end of Navy Pier One at 30°05'50" N. 93°43'15" W. then easterly to the rivers eastern shore. The southern boundary is a line shoreline to shoreline at latitude 30°05'33" N. (NAD83).

This safety zone is needed to protect mariners and event participants from hazards associated with high speed boat races. No person or vessel may enter

into or remain in the zone without permission of the Captain of the Port.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The Coast Guard has determined that this rule is not a significant regulatory action for the following reasons: (1) The rule will be enforced for 9.5 hours each day for two days; (2) scheduled breaks will be provided to allow waiting vessels to transit safely through the affected area; (3) persons and vessels may enter, transit through, anchor in, or remain within the regulated area if they obtain permission from the Captain of the Port or the designated representative; and (4) advance notification will be made to the maritime community via BNM and LNM. Therefore, the Coast Guard enforcement of this safety zone is not a significant regulatory action.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. This rule may affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit through or remain in the safety zone area. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities for the following reasons: (1) This rule will only be enforced from 8:30 a.m. until 6 p.m. each day that it is effective; (2) during non-enforcement hours all

vessels will be allowed to transit through the safety zone without having to obtain permission from the Captain of the Port, Port Arthur or a designated representative; and (3) vessels will be allowed to pass through the zone with permission of the Coast Guard Patrol Commander during scheduled break periods between races and at other times when permitted by the Coast Guard Patrol Commander.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to

coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. *Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. *Taking of Private Property*

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. *Civil Justice Reform*

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. *Protection of Children*

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. *Indian Tribal Governments*

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. *Energy Effects*

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. *Technical Standards*

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. *Environment*

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone established for the protection of spectators from the hazards associated with a personal watercraft race competition. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. A checklist and categorical exclusion determination will be provided in the docket accessible as indicated under

ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1; 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. A new temporary section, § 165.T08–0236, is added to read as follows:

§ 165.T08–0236 Safety Zone; Sabine River, Orange, TX.

(a) *Location.* The following area is a safety zone: All waters of the Sabine River, shoreline to shoreline, adjacent to the Orange public boat ramps located in Orange, TX. The northern boundary is from the end of old Navy Pier One at 30°05′50″ N. 93°43′15″ W. then easterly to the rivers eastern shore. The southern boundary is a line shoreline to shoreline at latitude 30°05′33″ N. (NAD83).

(b) *Effective dates and enforcement times.* This rule is effective on May 30 and 31, 2015. This rule will be enforced from 8:30 a.m. until 6:00 p.m. on May 30 and 31, 2015.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, no person or vessel may enter

into or remain in the zone without permission of the Captain of the Port.

(2) Persons or vessels requiring entry into or passage through the zone may contact the Captain of the Port, Port Arthur, or a designated representative. They may be contacted on VHF–FM Channels 16, or by phone at (409) 719–5070.

(3) All persons and vessels shall comply with the instructions of the Captain of the Port, Port Arthur and designated on-scene U.S. Coast Guard patrol personnel. On-scene U.S. Coast Guard patrol personnel include commissioned, warrant, and petty officers of the U.S. Coast Guard.

(d) *Information Broadcasts.* The Captain of the Port, Port Arthur or a designated representative will inform the public through broadcast notices to mariners of the enforcement period for the safety zone as well as any changes in the planned schedule.

Dated: March 31, 2015.

R.S. Ogrydziak,

Captain, U.S. Coast Guard, Captain of the Port, Port Arthur.

BILLING CODE 9110–04–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 52

[EPA–R04–OAR–2014–0220; FRL–9926–34–Region 4]

Air Quality Implementation Plan; Florida; Attainment Plan for the Hillsborough Area for the 2008 Lead National Ambient Air Quality Standards

AGENCY: Environmental Protection Agency.

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action to approve revisions to the state implementation plan (SIP), submitted by the State of Florida through the Florida Department of Environmental Protection (FL DEP), on June 29, 2012, as amended on June 27, 2013, for the purpose of providing for attainment of the 2008 Lead (Pb) National Ambient Air Quality Standards (NAAQS) in the Hillsborough 2008 Lead nonattainment area (hereafter referred to as the “Hillsborough Area” or “Area”). The Hillsborough Area is comprised of a portion of Hillsborough County in Florida surrounding EnviroFocus Technologies, LLC (hereafter referred to as “EnviroFocus”). The attainment plan
