BILLING CODE 6210-01-P

FINANCIAL STABILITY OVERSIGHT COUNCIL

Submission for OMB Review; Comment Request

AGENCY: Financial Stability Oversight Council.

ACTION: Notice and request for comments.

SUMMARY: The Financial Stability Oversight Council (the “Council”) invites members of the public and affected agencies to comment on continuing information collections, as required by the Paperwork Reduction Act of 1995.¹ Section 113 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”)² provides the Council the authority to determine that a nonbank financial company shall be subject to supervision by the Board of Governors of the Federal Reserve System (“Board of Governors”) and enhanced prudential standards if the Council determines that material financial stress at the nonbank financial company, or the nature, scope, size, scale, concentration, interconnectedness, or mix of the activities of the nonbank financial company, could pose a threat to financial stability. The Council is soliciting comments concerning its extension of a currently approved collection of information related to its authority to determine that certain nonbank financial companies shall be

subject to supervision by the Board of Governors and enhanced prudential standards. The Council will submit the following information collection requests to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, Public Law 104–13, on or after the date of publication of this notice.

DATES: Written comments must be received on or before May 21, 2015 to be assured of consideration.

ADDRESSES: You may submit comments by any of the following methods:

Mail: Attn: Request for Comments (Financial Stability Oversight Council Proposed Information Collection), Office of the Financial Stability Oversight Council, Department of the Treasury, 1500 Pennsylvania Avenue NW., Washington, DC 20220 or Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for Treasury, New Executive Office Building, Room 10235, Washington, DC 20503.

Electronic Submission:
FSOC.Comments@treasury.gov or
OIRA_Submission@OMB.EOP.gov.

Instructions: All submissions received must include the agency name and the **Federal Register** document number that appears at the end of this document. Comments received will be made available to the public via regulations.gov without change, and including any personal information provided.

FOR FURTHER INFORMATION CONTACT: Requests for additional information about the filings or procedures should be directed to Executive Director, Financial Stability Oversight Council, Department of the Treasury, 1500 Pennsylvania Avenue NW., Washington, DC 20220.

SUPPLEMENTARY INFORMATION: On April 11, 2012, the Council published in the **Federal Register** a final rule and interpretive guidance (“Rule and Guidance”) that describe the manner in which the Council intends to apply the statutory standards and considerations, and the processes and procedures the Council intends to follow, in making determinations under section 113 of the Dodd-Frank Act.³ The Council has made final determinations regarding four nonbank financial companies. The Council uses information collected under its Rule and Guidance to assess whether a nonbank financial company meets the standards for a Council determination under section 113 of the Dodd-Frank Act. The collection of

information under 12 CFR 1310.21 affords a nonbank financial company an opportunity to submit materials to contest the Council’s consideration of the company for a proposed determination and to contest a proposed determination. The collection of information under 12 CFR 1310.22 provides a nonbank financial company an opportunity to contest the Council’s waiver or modification of the notice or other procedural requirements contained in 12 CFR 1310.21 by requesting a hearing. The Council uses information collected under 12 CFR 1310.23 in a reevaluation of its determination regarding a nonbank financial company subject to a Council determination.

In February 2015, the Council adopted Supplementary Procedures Relating to Nonbank Financial Company Determinations (“Supplementary Procedures”), which supplement the Council’s Rule and Guidance and are organized into three categories: the Council’s engagement with nonbank financial companies during evaluations for potential determinations; engagement during annual reevaluations of determinations; and transparency to the public.⁴ The Supplementary Procedures clarify certain aspects of the Council’s engagement with nonbank financial companies but do not impose additional burdens on companies.

SUPPLEMENTARY INFORMATION:

A. Purpose

Certain Federal contracts provide for progress payments to be made to the contractor during performance of the contract. Pursuant to FAR clause 52.232-16 "Progress Payments," contractors are required to request progress payments on Standard Form 1443, "Contractor's Request for Progress Payment," or an agency approved electronic equivalent. Additionally, contractors may be required to submit reports, certificates, financial statements, and other pertinent information, reasonably requested by the Contracting Officer. The contractual requirement for submission of reports, certificates, financial statements and other pertinent information is necessary for protection of the Government against financial loss through the making of progress payments.

B. Annual Reporting Burden

Respondents: 25,161.
Responses per Respondent: 32.
Annual Responses: 805,152.
Hours per Response: .42.
Total Burden Hours: 338,164.
 Time required to read and prepare information is estimated at 25.2 minutes

(less than one-half hour) per completion. This downward change is attributable to productivity gains (based on data from Bureau of Labor Statistics, 1990-2013) realized through technology. The anticipated number of respondents has been reduced (from 27,000 to 25,161), as well, and is proportional to the lower number of Federal contracts overall.

C. Public Comments

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

D. Obtaining Copies Of Proposals: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW., Washington, DC 20405, telephone 202-501-4755. Please cite OMB Control No. 9000-0010, Progress Payments, in all correspondence.

Dated: April 16, 2015.
