Abstract: The Survey of Terms of Lending collects unique information concerning price and certain nonprice terms of loans made to businesses and farmers during the first full business week of the mid-month of each quarter (February, May, August, and November). The survey comprises three reporting forms: the FR 2028A, Survey of Terms of Business Lending; the FR 2028B, Survey of Terms of Bank Lending to Farmers; and the FR 2028S, Prime Rate Supplement to the Survey of Terms of Lending (STL). From these sample STL data, estimates of the terms of business loans and farm loans extended during the reporting week are constructed. The aggregate estimates for business loans are published in the quarterly E.2 release, *Survey of Terms of Business Lending*, and aggregate estimates for farm loans are published in the E.15 release, *Agricultural Finance Databook*.
