Abstract: Application forms are to be used by the applicants under the Fulbright-Hays Seminars Abroad Program which provides opportunities for U.S. educators to participate in short-term study seminars abroad in the subject areas of the social sciences, social studies and the humanities. The changes suggested are minor, *i.e.* updating language to reflect the current seminars being offered and the electronic system being used to accept applications. A reduction in burden from the previously approved collection is anticipated as program funding cuts have decreased the numbers of applicants. In addition, the number of references that applicants are being asked to submit has been reduced from three to two.
