SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* Office on Violence Against Women Solicitation Template.

(3) *Agency form number:* Form Number: 1122-0020.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: The affected public includes applicants to OVW grant programs authorized under the Violence Against Women Act of 1994 and reauthorized and amended by the Violence Against Women Act of 2000, the Violence Against Women Act of 2005 and the Violence Against Women Act of 2013. These include States, Territories, Tribes or unit of local governments; State,

territorial, tribal or unit of local governmental entities; institutions of higher education including colleges and universities; tribal organizations; Federal, State, tribal, territorial or local courts or court-based programs; State sexual assault coalitions, State domestic violence coalitions; territorial domestic violence or sexual assault coalitions; tribal coalitions; tribal organizations; community-based organizations and non-profit, nongovernmental organizations.

Abstract: The purpose of the solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program solicitation outlines the specifics of the funding program; describes the requirements for eligibility; instructs an applicant on the necessary components of an application under a specific grant program (e.g. project activities and timeline, proposed budget); and provides registration dates, due dates, and instructions on how to apply within the designated application system.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that information will be collect annually from the approximately 1,800 respondents (applicants to the OVW grant programs). The public reporting burden for this collection of information is estimated at up to 30 hours per application. The 30-hour estimate is based on the amount of time to prepare a narrative, budget and other materials for the application as well to coordinate with and develop a memorandum of understanding with requisite project partners.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 54,000 hours.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: (15-032)]

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to guide the development of space technologies, has released a draft version of the 2015 NASA Technology Roadmaps to the public. These Roadmaps, which expand and update the Technology Roadmaps released in 2012, consist of an introductory section and fifteen (15) distinct Technology Area roadmaps, which contain over 1,250 technology candidate snapshots. NASA is using specific questions to enable comment on the draft 2015 NASA Technology Roadmaps in a broad spectrum of areas.

DATES: Consideration will be given to all comments received within 30 days from the date of this publication.

The Web site, 2015nasatechroadmaps.taurigroup.com, will open for comments on May 11, 2015 and will close on June 10, 2015. No submissions will be accepted after June 10, 2015.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or instructions should be directed to Faith Chandler, Director Strategic Integration, Office of the Chief Technologist, NASA Headquarters, 300 E Street SW., Washington, DC 20546, at HQ-TechRoadmaps@mail.nasa.gov.

Title: NASA Technology Roadmap Comment.

Abstract: NASA is continually looking for opportunities to advance U.S. technology. NASA's technology development activities expand the frontiers of knowledge and capabilities in aeronautics, science, and space, which creates markets and products for U.S. industry, and supports other government agencies and academia.

The draft 2015 NASA Technology Roadmaps expand and update the original 2012 roadmaps, providing extensive details about anticipated NASA mission capability and associated technology development needs. NASA believes sharing these documents with the broader community will increase awareness, generate innovative solutions to provide the capabilities for space exploration and scientific discovery, and inspire others to get involved in America's space program.

The five questions on the Web site enable comment on the draft 2015

NASA Technology Roadmaps in a broad spectrum of areas, to describe partnership opportunities and needs, and to identify NASA technology development activities that will promote entrepreneurship, innovation, and development of new businesses.

Those questions are:

Question 1: Confirm validity or propose a change to the description of state of the art.

Question 2: Identify interest in the use of a technology candidate for a space application.

Question 3: Identify interest in the use of a technology candidate for a non-space application.

Question 4: Describe interest in potential partnership (co-funding development) of a technology candidate.

Question 5: Suggest other changes to the draft 2015 NASA Technology Roadmaps.

When arriving on the home page of the Web site titled: “2015 NASA Technology Roadmaps: Request for Information Portal” located at: 2015nasatechroadmaps.taurigroup.com, the reviewer will be requested to register. Registration requires completing the following fields:

- Full name (maximum 200 characters),
