SUPPLEMENTARY INFORMATION: The Office of Veterans Business Development (OVBD) at the U.S. Small Business Administration implements applicable sections of the Small Business Act, of Public Laws and Executive Orders governing veteran programs, and to support the SBA mission to assist eligible American veterans and Reservist Component service members by providing access to the tools and resources necessary for entrepreneurs to start, run, and grow their businesses. OVBD manages the Veterans Business Outreach Centers (VBOC) which was established in 1999 pursuant to Public Law 106-50. VBOCs offer pre-business plan workshops, concept assessment and business plan preparation, feasibility analysis entrepreneurship counseling and training, online assistance, and mentorship service to veteran entrepreneurs and veteran-owned small business concerns controlled by veterans, service-disabled veterans, and Reserve Component members. As part of OVBD's effort to enhance the services provided by VBOCs to veterans and veteran-owned small businesses, OVBD has acquired the service of a research firm to conduct a series of data collection. In addition, a part of the forthcoming new cycle of grant solicitation for 2015, SBA will assess the population assisted by current VBOCs, funded in 2010, the services provided to individuals, the preliminary impact of services on the business goals of clients, client

satisfaction with VBOCs, and lessons learned and recommendations by the VBOCs and clients. Through the WebCATS/Neoserra system, SBA has the ability to collect some data on VBOC clients and VBOC activities. However, to get a better understanding of the full range of topics mentioned above, SBA needs to collect survey and interview data from VBOC clients, directors, and staff (non-directors of VBOCs that help provide services to people). Specifically, SBA proposes the use of five different instruments for data collection and analysis. These instruments are: (1) A VBOC client survey; (2) a VBOC director survey; (3) VBOC client interviews; (4) VBOC director interviews; and (5) VBOC staff interviews. SBA plans to administer each instrument to more than nine individuals. The surveys will be administered electronically, while the interviews will be conducted either in-person or via phone. The interview questions will contain all open-ended questions, while the web-based survey will contain both open- and close-ended questions. The types of information that will be collected in the instruments can be found in the "Summary of Information Collection" section below. Quantitative analysis (the primary method of data analysis for the survey data) and qualitative analysis (the primary method of data analysis for the interview data) will be used on the data collected. Quantitative analysis will consist of univariate and multivariate statistical analyses, while qualitative analysis will consist of establishing clear rules for interpretation and finding themes in the interview data. The information collected and analyzed from these instruments will contribute to performance metrics and program goals as well as recommendations on improving program practices.

SMALL BUSINESS ADMINISTRATION**SBIR/STTR Logo Design Competition Announcement: Correction**

The Small Business Administration published a document in the **Federal Register** of May 5, 2015 (Vol. 80, No. 86, Pages 25763-25765), concerning the announcement of a competition to design a logo for the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs. The document needs to be corrected to reflect the fact that the only judges for the competition will be SBA Officials and other SBIR/STTR Program Managers. The current document indicates that at least one of the judges will be from the National Endowment for the Arts.

In the document printed on May 5, 2015, the first full sentence on page 25764 under the caption: "5. Selection of Winners" includes a reference that at least one official from the National

Endowment for the Arts will serve as a judge. This reference should be removed and the sentence should read:

5. *Selection of Winners:* SBA will select a judging panel that will consist of SBA Officials and Program Managers of the SBIR/STTR participating Federal agencies.

Director, Office of Innovation and Technology.
