[Docket No. CP15–132–000]

Kern River Gas Transmission Company; Notice of Intent To Prepare an Environmental Assessment for the Proposed Summerlin Pipe Replacement Project and Request for Comments on Environmental Issues

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental assessment (EA) that will discuss the environmental impacts of the Summerlin Pipe Replacement Project involving construction and operation of facilities by Kern River Gas Transmission Company (Kern River) in Clark County, Nevada. The Commission will use this EA in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies on the project. You can make a difference by providing us with your specific comments or concerns about the project. Your comments should focus on the potential environmental effects, reasonable alternatives, and measures to avoid or lessen environmental impacts. Your input will help the Commission staff determine what issues they need to evaluate in the EA. To ensure that your comments are timely and properly recorded, please send your comments so that the Commission receives them in Washington, DC on or before June 11, 2015.

If you sent comments on this project to the Commission before the opening of this docket on March 26, 2015, you will need to file those comments in Docket
