BILLING CODE 9111-97-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5828-N-22]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the

homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; (This is not a toll-free number).

Dated: May 21, 2015.

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of availability.

SUMMARY: In accordance with the National Environmental Policy Act of

1969 (NEPA), as amended, the Federal Land Policy and Management Act of 1976 (FLPMA), as amended, and the Resources Planning Act of 1974, as amended by the National Forest Management Act of 1976 (NFMA), the Bureau of Land Management (BLM) and U.S. Forest Service have prepared Proposed Land Use Plan Amendments (LUPA) and Final Environmental Impact Statements (EISs) for planning units in Wyoming, Lewistown (Montana), Northwest Colorado, and North Dakota. There are four separate Final EISs being conducted in the Rocky Mountain Region and this notice announces the availability of all four.

DATES: BLM planning regulations state that any person who meets the conditions as described in the regulations may protest the BLM's and Forest Service's Proposed LUPA/Final EIS. A person who meets the conditions and files a protest must file the protest within 30 days of the date that the Environmental Protection Agency publishes its Notice of Availability in the **Federal Register**. In accordance with 36 CFR 219.59, the Forest Service will waive its objection procedures of this subpart and instead adopt the BLM's protest procedures outlined in 43 CFR 1610.5-2.

ADDRESSES: Copies of the Wyoming, Lewistown, Northwest Colorado, and North Dakota Greater Sage-Grouse Proposed LUPAs/Final EISs have been sent to affected Federal, State and local government agencies, tribal governments, and to other stakeholders and members of the public who have requested copies. Copies of the Proposed LUPAs/Final EISs are available for public inspection at the addresses listed in the **SUPPLEMENTARY INFORMATION** section. Interested persons may also review the Proposed LUPAs/Final EISs on the Internet at <http://www.blm.gov/wo/st/en/prog/more/sagegrouse.html>.

SUPPLEMENTARY INFORMATION: The BLM and Forest Service prepared the Wyoming and Northwest Colorado Greater Sage-Grouse LUPAs and EISs. The Lewistown and North Dakota EISs were prepared solely by the BLM because there were no National Forest System lands involved. All four of these Proposed LUPAs/Final EISs address a range of alternatives focused on specific conservation measures across the range of the Greater Sage-Grouse (GRSG). All four of these EISs are part of a total of 15 separate EISs that make up the BLM and Forest Service National Greater Sage-Grouse Planning Strategy. These four EISs will amend the following BLM Resource Management Plans (RMPs) and Forest Service Land and Resource Management Plans (LRMP) in the Rocky Mountain Region:
