

DEPARTMENT OF HOMELAND SECURITY**Federal Emergency Management Agency****44 CFR Part 64**

[Docket ID FEMA-2015-0001; Internal Agency Docket No. FEMA-8385]

Suspension of Community Eligibility**AGENCY:** Federal Emergency Management Agency, DHS.**ACTION:** Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date. Also, information identifying the current participation status of a community can be obtained from FEMA's Community Status Book (CSB). The CSB is available at <http://www.fema.gov/fema/csb.shtm>.

DATES: The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended on the suspension date or for further information, contact Bret Gates, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646-4133.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of

1968, as amended, 42 U.S.C. 4022, prohibits the sale of NFIP flood insurance unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. We recognize that some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue to be eligible for the sale of NFIP flood insurance. A notice withdrawing the suspension of such communities will be published in the **Federal Register**.

In addition, FEMA publishes a Flood Insurance Rate Map (FIRM) that identifies the Special Flood Hazard Areas (SFHAs) in these communities. The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year on FEMA's initial FIRM for the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment procedures under 5 U.S.C. 553(b), are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension

date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, Section 1315, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

RIN 1652-AA68

Adjustment of Passenger Civil Aviation Security Service Fee

AGENCY: Transportation Security Administration, DHS.

ACTION: Interim final rule; request for comments.

SUMMARY: The Transportation Security Administration (TSA) is issuing this interim final rule (IFR) to address a statutory change affecting the IFR published on June 20, 2014 (2014 IFR), which implemented the passenger civil aviation security service fee (security service fee) increase mandated by the Bipartisan Budget Act of 2013. This IFR conforms TSA's regulations to statutory amendments enacted since publication of the 2014 IFR. These amendments impose a round-trip limitation on the security service fee. All other aspects of the regulations, including those made by the 2014 IFR and provisions unchanged by this rule, remain in effect. TSA is also requesting comments on added definitions related to imposition of a round-trip limitation. TSA is not soliciting comments with respect to any other issues concerning the 2014 IFR, except to the extent affected by this rule, as the deadline for such comments has expired.

DATES:

Effective date: June 4, 2015, except for the definition of "co-terminal" in § 1510.3, which is effective July 6, 2015.

Comment date: Comments must be received by August 3, 2015.

Applicability date: Direct air carriers and foreign air carriers in air transportation, foreign air transportation, and intrastate air transportation originating at airports in the United States (air carriers) will be held responsible for applying the round-trip limitation to all relevant air transportation sold on or after 12 a.m.

(Eastern Standard Time) on December 19, 2014.

ADDRESSES: You may submit comments, identified by the TSA docket number to this rulemaking, to the Federal Docket Management System (FDMS), a government-wide, electronic docket management system, using any one of the following methods:

Electronically: You may submit comments through the Federal eRulemaking portal at <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Mail, In Person, or Fax: Address, hand-deliver, or fax your written comments to the Docket Management Facility, U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12-140, Washington, DC 20590-0001; fax (202) 493-2251. The Department of Transportation (DOT), which maintains and processes TSA's official regulatory dockets, will scan the submission and post it to FDMS.

See **SUPPLEMENTARY INFORMATION** for format and other information about comment submissions.

SUPPLEMENTARY INFORMATION:

Retroactive Application

This IFR conforms TSA's regulations to recently enacted amendments to 49 U.S.C. 44940(c) that require a limitation for round-trip air transportation.¹ As the law stipulates that the statutory amendment shall apply "to a trip in air transportation or intrastate air transportation that is purchased on or after the date of the enactment of this Act,"² the statutory amendments became effective on December 19, 2014. Therefore, direct air carriers and foreign air carriers in air transportation, foreign air transportation, and intrastate air transportation originating at airports in the United States (air carriers) will be held responsible for applying the round-trip limitation to all relevant air transportation sold on or after 12 a.m. (Eastern Standard Time) on December 19, 2014.
