*Abstract:* The Electronic Funds Transfer Act (EFTA) ensures adequate disclosure of basic terms, costs, and rights relating to electronic fund transfer (EFT) services debiting or crediting a consumer's account. The disclosures required by the EFTA are triggered by certain specified events. The disclosures inform consumers about the terms of the electronic fund transfer service, activity on the account, potential liability for unauthorized transfers, and the process for resolving errors. To ease institutions' burden and cost of complying with the disclosure requirements of Regulation E (particularly for small entities), Regulation E includes model forms and disclosure clauses.

Regulation E applies to all financial institutions. In addition, certain provisions in Regulation E apply to entities that are not financial institutions, including those that act as service providers or automated teller machine (ATM) operators, merchants and other payees that engage in electronic check conversion (ECK) transactions, the electronic collection of returned item fees, or preauthorized transfers, issuers and sellers of gift cards and gift certificates, and remittance transfer providers.

##### **B. PURPOSE OF THE MATCHING PROGRAM:**

The primary purpose of the matching program is to provide new hire and quarterly wage information from OCSE's National Directory of New Hires (NDNH) to state agencies administering UC programs to assist in establishing or verifying the eligibility of, or continuing compliance with statutory and regulatory requirements by, applicants for, or recipients of, UC benefits. The state agencies administering the UC programs may also use the NDNH information for the secondary purpose of administration of its tax compliance function.

##### **C. AUTHORITY FOR CONDUCTING THE MATCH:**

The authority for conducting the matching program is contained in Section 453(j)(8) of the Social Security Act. (42 U.S.C. 653(j)(8)).

##### **D. CATEGORIES OF INDIVIDUALS INVOLVED AND IDENTIFICATION OF RECORDS USED IN THE MATCHING PROGRAM:**

The categories of individuals involved in the matching program are individuals who receive or have applied for UC benefits. The NDNH contains new hire, quarterly wage, and unemployment insurance information. Records resulting from the matching program and disclosed to the state agencies administering UC programs include names, Social Security numbers, home addresses, and employment information.

##### **E. INCLUSIVE DATES OF THE MATCHING PROGRAM:**

The computer matching agreement will be effective and matching activity may commence the later of the following:
