

**DEPARTMENT OF JUSTICE****Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)**

On June 16, 2015, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Arizona in the lawsuit entitled *United States v. Burr-Brown Corporation (now Texas Instruments Tucson Corporation)*, Civil Action No. 89-594-TUC-RMB. On the same date, the State of Arizona lodged the same proposed Consent Decree with the United States District Court for the District of Arizona in the lawsuit entitled *State of Arizona v. Texas Instruments Tucson Corporation*, Civil Action No. 4:15-cv-00257-DCB. The United States has filed a motion to consolidate the two actions, and the State of Arizona and Texas Instruments Tucson Corporation (“TI”) have consented to that motion.

TI is working under an existing consent decree, entered in 1990 in Civil Action No. 89-594-TUC-RMB (“1990 Decree”), to perform a CERCLA response action to address contaminated groundwater on part of the Tucson International Airport Authority Superfund Site (“TIAA Site”) in Tucson, Arizona. The TIAA Site includes the Tucson International Airport, Air Force Plant 44, and several other adjacent areas. The proposed Consent Decree addresses only the TI portion of Area “B” of the TIAA Site (“Project Area”). Other areas of the TIAA Site are being addressed under separate federal facility agreements, consent decrees and fund-lead remedial actions. The Project Area was operated by TI’s predecessor-in-interest, Burr-Brown Corporation. Operations included microchip manufacturing and involved chemical storage and disposal. In 2013, TI sold the Project Area to HSL TI Properties, which does not use it for industrial purposes.

The 1990 Decree contains provisions that the parties would like to amend as TI begins to implement an amended Record of Decision (“Amended ROD”). At the same time, the Arizona Department of Environmental Quality (“ADEQ”) would like to resolve its claims under state law with TI, and to participate in oversight of the remedy.

The proposed Consent Decree, which would supersede the 1990 Decree, would implement the Amended ROD, add the State of Arizona as a party, and resolve its claims under state law. Under the Consent Decree, TI commits

to perform the work set out in the Amended ROD, and to pay the United States its Response Costs and the State its State Future Response Costs, as those terms are defined in the Consent Decree. The Consent Decree contains covenants not to sue by the United States and the State for the performance of the Work and for recovery of Response Costs and State Future Response Costs, and by TI for all claims related to the Project Area and the Consent Decree. The Consent Decree provides TI with the standard contribution protection for “matters addressed” in the Consent Decree: Work, Response Costs, and State Future Response Costs.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Burr-Brown Corporation (now Texas Instruments Tucson Corporation)*, D.J. Ref. No. 90-11-3-369. All comments must be submitted no later than thirty (30) days after the publication date of this notice. **DEPARTMENT OF LABOR****Office of Disability Employment Policy****Advisory Committee on Increasing Competitive Integrated Employment for Individuals With Disabilities; Notice of Meeting**

The Advisory Committee on Increasing Competitive Integrated Employment for Individuals With Disabilities (the Committee) was mandated by section 609 of the Rehabilitation Act of 1973, as amended by section 461 of the Workforce Innovation and Opportunity Act (WIOA). The Secretary of Labor established the Committee on September 15, 2014 in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C. App. 2. The purpose of the Committee is to study and prepare findings, conclusions and recommendations for Congress and the Secretary of Labor on (1) ways to increase employment opportunities for individuals with intellectual or developmental disabilities or other individuals with significant disabilities in competitive, integrated employment; (2) the use of the certificate program carried out under section 14(c) of the Fair Labor Standards Act (FLSA) of 1938 (29 U.S.C. 214(c)); and (3) ways to improve oversight of the use of such certificates.

The Committee is required to meet no less than eight times. It is also required to submit an interim report to the Secretary of Labor; the Senate Committee on Health, Education, Labor and Pensions; and the House Committee on Education and the Workforce within one year of the Committee’s establishment by September 15, 2015. A final report must be submitted to the same entities no later than two years from the Committee establishment date. The Committee terminates one day after the submission of the final report.

The next meeting of the Committee will take place on Monday, July 13, 2015 and Tuesday, July 14, 2015. The meeting will be open to the public on Monday, July 13 from 8:30 a.m. to 5:00 p.m., Eastern Daylight Time (EDT). On Tuesday, July 14th, the meeting will be open to the public from 8:00 a.m. to 4:00 p.m., EDT. The meeting will take place at the U.S. Access Board, 1331 F Street NW., Suite 800, Washington, DC 20004-1111.

On July 13th and 14th, the four subcommittees of the Committee will report out on their work on draft chapters for the interim report. The four subcommittees are: The Transition to
