Abstract: The Office of the Assistant Secretary for Health (OASH) is requesting an approval on an extension by Office of Management and Budget (OMB) on a currently approved information collection; the OMB number is 0990-0388. The project on, *Let's Move! Cities, Towns and Counties (LMCTC)*, seeks to continue to conduct

a survey of local government organizations for the Initiative. *Let's Move* is a comprehensive initiative, launched by the First Lady, Michelle Obama, dedicated to solving the challenge of childhood obesity within a generation. The online survey is the mechanism by which *Let's Move! Cities, Towns and Counties* report progress on the initiative's goals and are recognized for that progress. LMCTC calls on local elected officials to adopt long-term, sustainable, and holistic approaches to addressing childhood obesity. Local elected officials who sign up for the initiative are willing to commit to five goals that are intended to create healthier, more livable communities.

Therefore, the online survey is essential to the successful operation of the initiative. Since July 2012 until January 31 2015, 463 sites had signed up for *Let's Move! Cities, Towns and Counties*. Sites who have completed the online survey report that they have implemented a total of 2170 promising practices intended to promote healthy eating and active living for community residents.

Likely Respondents: This activity is requesting comment on the burden for a survey for local government officials who have chosen to participate in *Let's Move! Cities, Towns and Counties*. The survey requests information about the activities the locality has undertaken against the initiative's goals. The responses to these questions are used to show progress, and to recognize municipal and county sites' success in participating in *Let's Move! Cities, Towns and Counties*.
