**Mondelez International Philadelphia,  
Pennsylvania; Mondelez International  
Wilkes-Barre, Pennsylvania; Amended  
Certification Regarding Eligibility To  
Apply for Worker Adjustment  
Assistance**

In accordance with section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on July 19, 2013, applicable to workers and former workers of Mondelez International, Philadelphia, Pennsylvania (TA–W–82,500). The workers were engaged in activities related to the production of snack food products. The worker group does not include leased or temporary workers.

During the course of an investigation of a subsequent Trade Adjustment Assistance (TAA) petition filed on behalf of workers at an affiliated Mondelez International facility, the Department received additional information regarding the workers group covered by TA–W–82,500 (Philadelphia, Pennsylvania) and new information regarding the worker group covered by TA–W–82,500A (Wilkes-Barre, Pennsylvania).

Based on the new and additional information, the Department determines that the worker group at the subject firm’s Wilkes-Barre, Pennsylvania facility is engaged in the production of snack food products at the Philadelphia, Pennsylvania facility.

Based on these findings, the Department is amending this certification (TA–W–82,500) to include the workers at Wilkes-Barre, Pennsylvania (TA–W–82,500A). The amended notice applicable to TA–W–82,500 is hereby issued as follows:

All workers of Mondelez International, Philadelphia, Pennsylvania (TA–W–82,500) and Mondelez International, [Wilkes-Barre, Pennsylvania (TA–W–82,500A), who became totally or partially separated from employment on or after February 23, 2012 through July 19, 2015, and all workers in the group threatened with total or partial separation from employment on July 19, 2013 through July 19, 2015, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 4th day of May 2015.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor (Department), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 [44 U.S.C. 3506(c)(2)(A)] (PRA). The program helps ensure that respondents can provide requested data in the desired format with minimal reporting burden (time and financial resources), collection instruments are clearly understood and the impact of collection requirements on respondents can be properly assessed.

Currently, ETA is soliciting comments concerning the extension of the expiration date (October 31, 2015) to October 2018 for ETA Forms 790 and 795, with no revisions made to either form. In situations where an adequate supply of workers does not exist locally, agricultural employers must use the Agricultural and Food Processing Clearance Order, ETA Form 790, to list the job opening with the State Workforce Agency (SWA) for recruiting temporary agricultural workers. The Agricultural and Food Processing Clearance Memorandum, ETA Form 795, is used by SWAs to extend job orders beyond their jurisdictions, give notice of action on a clearance order, request additional information, amend the order, report results, and accept or reject the extended job order.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive

consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention 1205–0134.

**DATES:** Submit written comments to the office listed in the addresses section below on or before August 25, 2015.
