

NOAA-related fields by providing education and training opportunities in these fields. Each CSC has a distinct educational focus, defined mission, partner institution, and designated research partner. In addition to providing education and training opportunities for students, CSCs assist their MSI partners in building their institutional management, scientific, and research capacities in NOAA-related fields.

The proposed evaluation will examine the effectiveness of two of NOAA's OED scholarship programs: EPP and HUSP. It will also assess the efficacy of the CSCs, which constitute another educational component central to NOAA's educational mission. The primary objective of this evaluation is to determine how well NOAA's HUSP and EPP scholarship programs translate to measurable outcomes for participants.

Affected Public: Individuals or households.

Frequency: One time.

Respondent's Obligation: Voluntary.
