SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Child Care Access Means Parents in School Program Annual Performance Report.

OMB Control Number: 1840-0763.

Type of Review: A revision of an existing information collection..

Respondents/Affected Public: Private Sector.

Total Estimated Number of Annual Responses: 89.

Total Estimated Number of Annual Burden Hours: 801.

Abstract: This is a revision of the Child Care Access Means Parent In School Program (CCAMPIS) Annual Performance Report (APR). This report provides the Department of Education with information needed to evaluate a grantee's performance and compliance with program requirements in accordance with the program authorizing statute. The data collected is aggregated to provide national information on project participants and the results demonstrated by program outcomes. The burden hours are increased due to additional queries that have been added to the APR that capture more specific data needed to enhance the understanding of results demonstrated by this program in accordance with OMB mandates.
