

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of solid urea from Russia entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for MCC EuroChem will be 0.00 percent, the weighted average dumping margin established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the manufacturer of the merchandise for the most recently completed segment of this proceeding; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 64.93 percent, the all-others rate established in the original less-than-fair-value (LTFV) investigation.⁴ The rate established in the LTFV investigation for the Soviet Union was applied to each new independent state, including Russia. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

⁴ See *Urea From the Union of Soviet Socialist Republics; Final Determination of Sales at Less Than Fair Value*, 52 FR 19557 (May 26, 1987). Also note that following the break-up of the Soviet Union, the antidumping duty order on solid urea from the Soviet Union was transferred to the individual members of the Commonwealth of Independent States. See *Solid Urea From the Union of Soviet Socialist Republics; Transfer of the Antidumping Order on Solid Urea From the Union of Soviet Socialist Republics to the Commonwealth of Independent States and the Baltic States and Opportunity to Comment*, 57 FR 28828 (June 29, 1992).

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

The Department is issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2013-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is conducting an administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (PRC). The administrative review covers four exporters, of which the Department selected two mandatory respondents for individual examination (*i.e.*, Changshan Peer Bearing Co. Ltd. (CPZ/SKF); and Yantai CMC Bearing Co., Ltd. (Yantai CMC)). The period of review (POR) is June 1, 2013, through May 31, 2014.

We preliminarily determine that sales of subject merchandise have been made below normal value (NV). In addition, we preliminarily determine, in accordance with 19 CFR 351.401(f), to treat affiliated producers, CPZ/SKF and Shanghai General Bearing Co., Ltd.

(SGBC) as a single entity.¹ If these preliminary results are adopted in the final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* July 7, 2015.

Stephen Bailey or Blaine Wiltse, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0193 or (202) 482-6345, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise covered by the order includes tapered roller bearings. The subject merchandise is currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.70.6060, 8708.99.2300, 8708.99.4850, 8708.99.6890, 8708.99.8115, and 8708.99.8180. The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of the order is dispositive.²

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). As noted above, there are two mandatory respondents in this administrative review: CPZ/SGBC and Yantai CMC. For CPZ/SGBC, we calculated constructed export prices in accordance with section 772 of the Act.

¹ The collapsed entity is hereinafter referred to as CPZ/SGBC. For further discussion, see memorandum from The Team to Melissa Skinner, Director Office II, dated June 30, 2015, entitled "Whether to Collapse Changshan Peer Bearing Company Ltd. and Shanghai General Bearing Company Ltd. in the 2013-2014 Antidumping Duty Administrative Review of Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China." (Collapsing Memorandum).

² For a complete description of the scope of the order, see memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated June 30, 2015 entitled "Decision Memorandum for the Preliminary Results of the 2013-2014 Antidumping Duty Administrative Review of Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China" (Preliminary Decision Memorandum), issued concurrently with and hereby adopted by this notice.

Because the PRC is a non-market economy (NME) within the meaning of section 771(18) of the Act, normal value has been calculated in accordance with section 773(c) of the Act.

For Yantai CMC, we preliminarily find that this respondent is ineligible for a separate rate because it has failed to demonstrate an absence of *de facto* government control in this administrative review. Therefore, we did not calculate a separate margin for Yantai CMC.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B0824 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

Rate for Non-Examined Companies Which Are Eligible for a Separate Rate

The statute and the Department's regulations do not address the establishment of the rate applied to individual respondents not selected for individual examination when the Department limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, the Department looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for separate-rate respondents that are not examined individually in an administrative review. Section 735(c)(5)(A) of the Act notes a preference that we are not to calculate an all-others rate using rates for individually-examined respondents which are zero, *de minimis*, or based entirely on facts available. Section 735(c)(5)(B) of the Act provides that, where all rates are zero, *de minimis*, or based entirely on facts available, the Department may use "any reasonable

method" for assigning a rate to non-examined respondents.

For these preliminary results, we calculated a margin of zero percent for CPZ/SGBC. Therefore, we preliminarily determine that the application of the rate from the previous administrative review to the non-examined separate-rate companies is consistent with precedent³ and the most appropriate method to determine the separate rate in the instant review. Pursuant to this method, we are preliminarily assigning the margin of 0.65 percent, the most recent margin calculated for the non-examined separate-rate respondents,⁴ to the non-examined separate-rate respondents in the instant review.

Preliminary Results of Review

Because Yantai CMC did not demonstrate that it was entitled to a separate rate, the Department preliminarily finds Yantai CMC to be part of the PRC-wide entity.⁵ The rate previously established for the PRC-wide entity is 92.84 percent.

The Department preliminarily determines that the following weighted-average dumping margins exist for the period June 1, 2013, through May 31, 2014:

| Exporters | Weighted-average percent margin |
|---|---------------------------------|
| Changshan Peer Bearing Co., Ltd./Shanghai General Bearing Co., Ltd. | 0.00 Percent. |
| Xinchang Kaiyuan Automotive Bearing Co., Ltd.*. | 0.65 Percent. |

³ See e.g., *Certain Frozen Warmwater Shrimp From the People's Republic of China: Preliminary Results and Preliminary Partial Rescission of Fifth Antidumping Duty Administrative Review*, 76 FR 8338, 8342 (February 14, 2011), unchanged in *Administrative Review of Certain Frozen Warmwater Shrimp From the People's Republic of China: Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 76 FR 51940 (August 19, 2011).

⁴ This margin is from the 2012–2013 administrative review. See *Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Final Results of the Antidumping Duty Administrative Review and Final Results of the New Shipper Review; 2012–2013*, 80 FR 4244 (January 27, 2015).

⁵ See Preliminary Decision Memorandum, at 8–9. Pursuant to the Department's change in practice, the Department no longer considers the NME entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963, 65970 (November 4, 2013). Under this practice, the NME entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. Because no party requested a review of the entity, the entity is not under review and the entity's rate is not subject to change.

| Exporters | Weighted-average percent margin |
|---|---------------------------------|
| Ningbo Xinglun Bearings Import & Export Co., Ltd.*. | 0.65 Percent. |

* This company demonstrated that it qualified for a separate rate in this administrative review.

Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review.⁶ Rebuttals to case briefs may be filed no later than five days after case briefs are filed and all rebuttal briefs must be limited to comments raised in the case briefs. Parties who submit comments are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁷

Any interested party may request a hearing within 30 days of publication of this notice.⁸ Hearing requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs.⁹ If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.¹⁰

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹¹ The Department intends to issue assessment instructions to CBP 15 days after the publication of the final results of this review. For each individually-examined respondent in this review (*i.e.*, CPZ/SGBC) which has a weighted-average dumping margin which is not zero or *de minimis* (*i.e.*, less than 0.5 percent), we will calculate importer-specific assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1).¹² Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the respondents which were not selected for individual examination in this administrative review and which qualified for a separate rate, the assessment rate will be equal to the dumping margin assigned to the non-examined separate-rate companies in the 2012–2013 administrative review of TRBs from the PRC.¹³

For the final results, if we continue to treat Yantai CMC as part of the PRC-wide entity, we will instruct CBP to apply an *ad valorem* assessment rate of 92.84 percent to all entries of subject merchandise during the POR which were exported by Yantai CMC.

For entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that

exporter's rate) will be liquidated at the PRC-wide rate.¹⁴

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above which have a separate rate, the cash deposit rate will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, then a cash deposit rate of zero will be established for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity, 92.84 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: June 30, 2015.

Assistant Secretary for Enforcement and Compliance.

Fresh Garlic From the People's Republic of China: Final Results of the Changed Circumstances Review of Lanling Qingshui Vegetable Foods Co., Ltd.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On March 23, 2015, the Department of Commerce (Department) published a notice of preliminary results of a changed circumstance review (CCR) of the antidumping duty (AD) order on fresh garlic from the People's Republic of China (PRC)¹ in response to a request from Lanling Qingshui Vegetable Foods Co., Ltd. (Qingshui), a producer/exporter of fresh and peeled garlic from the PRC.² Pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216, the Department preliminarily determined that Qingshui is the successor-in-interest to Cangshan Qingshui Vegetable Foods Co., Ltd. (Cangshan Qingshui) for purposes of the AD order on fresh garlic from the PRC, and, as such, is entitled to Cangshan Qingshui's cash deposit rate with respect to entries of subject merchandise. We invited interested parties to comment on the *Preliminary*

¹ See *Antidumping Duty Order: Fresh Garlic from the People's Republic of China*, 59 FR 59209 (November 16, 1994) (*Order*).

² See *Fresh Garlic from the People's Republic of China: Preliminary Results of the Changed Circumstances Review of Lanling Qingshui Vegetable Foods Co., Ltd.*, 80 FR 15192 (March 23, 2015) (*Preliminary Results*).

¹¹ See 19 CFR 351.212(b)(1).

¹² In these preliminary results, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012). The Department will limit the application of this assessment rate to CPZ/SKF's entries of subject merchandise because SGBC's entries were not subject to the antidumping duty order on TRBs during the POR. For further discussion, see the Preliminary Decision Memorandum.

¹³ See "Rate for Non-Examined Companies Which Are Eligible for a Separate Rate" section, above.
