Farm Service Agency

Title: Debt Settlement Policies and Procedures.

OMB Control Number: 0560-0146.

Summary of Collection: The Federal Claims Collection Standards provides at 4 CFR 102, that whenever feasible, debts owed to the United States should be collected in full in one lump sum. The Debt Collection Improvement Act (DCIA) of 1996 further emphasizes, as one of its goals, to maximize collections of delinquent debt owed to the Government, by ensuring quick action is taken to enforce recovery of debts and the use of all appropriate collection tools, while ensuring that the public is fully informed of the Federal Government's debt collection policies and the debtors are fully cognizant of their financial obligations to repay amounts owed to the Federal Government. Provisions under the Federal Claims Collection Standards and the DCIA allow the debtor upon receiving a notification letter and unable to pay debt owed to the Federal Government in one lump sum, to forward a written request and financial statement to Farm Service Administration (FSA) and Commodity Credit Corporation (CCC) for establishing an agreed repayment plan in the promissory note using form CCC-279, Promissory Note.

Need and Use of the Information: When a debtor requests to enter into an installment agreement to settle their debt, FSA will collect information on the debtor's assets, liabilities, income and expenses. Based on that information a determination can be made on whether the debtor can pay the debt in one lump sum or an installment is necessary. Without this financial information FSA/CCC would have no method of allowing debtor's to pay their debts in installments while still ensuring that the government's financial interests are protected.

Description of Respondents: Individuals or households.

Number of Respondents: 100.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 200.

Ruth Brown,

Departmental Information Collection Clearance Officer.
