### Assessment Rates

Upon completion of this administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries.<sup>12</sup> If Perfiles' weighted-average dumping margin is not zero or *de minimis* in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Perfiles will be that established in the final results of this administrative review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or in the less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be the all-others rate of 3.76 percent, which is the all-others rate established in the investigation.<sup>13</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement

of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

Dated: July 1, 2015.

### Polyethylene Retail Carrier Bags From Thailand: Final Results of Antidumping Duty Administrative Review; 2013–2014

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On May 7, 2015, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on polyethylene retail carrier bags (PRCBs) from Thailand.<sup>1</sup> For these final results, we continue to find that subject

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 7, 2015, the Department published the *Preliminary Results*. The POR is August 1, 2013, through July 31, 2014. We invited interested parties to comment on the *Preliminary Results*. We received no comments.

The Department conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

The merchandise subject to the antidumping duty order is PRCBs, which may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, *e.g.*, grocery, drug, convenience, department, specialty retail, discount stores, and restaurants, to their customers to package and carry their purchased products. The scope of the order excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, *e.g.*, garbage bags, lawn bags, trash-can liners.

As a result of changes to the Harmonized Tariff Schedule of the

United States (HTSUS), imports of the subject merchandise are currently classifiable under statistical category 3923.21.0085 of the HTSUS.

Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

**Final Results of the Review**

For the final results of this review, in accordance with sections 776(a) and (b) of the Tariff Act of 1930, as amended (the Act), we continued to rely on facts available with an adverse inference to establish a rate of 122.88 percent as the weighted-average dumping margin for Beyond Packaging. As the Department explained in the Preliminary Decision Memorandum, the 122.88 percent rate is derived from the petition in the underlying investigation, and the Department determined that for purposes of this review, the rate is corroborated, in accordance with section 776(c) of the Act.<sup>2</sup>

**Assessment Rates**

The Department will instruct U.S. Customs and Border Protection (CBP) to apply an *ad valorem* assessment rate of 122.88 percent to all entries of subject merchandise during the POR which were produced and/or exported by Beyond Packaging.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

**Cash Deposit Requirements**

The following deposit requirements will be effective upon publication of the final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Beyond Packaging will be 122.88 percent, the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding

<sup>2</sup> See Preliminary Decision Memorandum at 8.

for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash deposit rate will be 4.69 percent.<sup>3</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Administrative Protective Orders**

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

**Notification to Interested Parties**

The Department is issuing and publishing these final results of administrative review in accordance with sections 751(a)(1), and 777(i) of the Act and 19 CFR 351.213(h).

Dated: June 30, 2015.
