It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Royal Invest International Corp. (CIK No. 1079574) ("RIIC"), a void Delaware corporation with its principal place of business in Westport, Connecticut, with stock quoted on OTC Link because it has not filed any periodic reports since the period ended September 30, 2010. On June 26, 2013, Corporation Finance sent a delinquency letter to RIIC requesting compliance with its periodic reporting obligations at the address shown in its then-most recent filing with the Commission, but RIIC did not receive the delinquency letter due to its failure to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of the EDGAR Filer Manual).

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of San Joaquin Bancorp (CIK No. 1368883) ("SJQU"), a suspended California corporation with its principal place of business in Bakersfield, California, with stock quoted on OTC Link because it has not filed any periodic reports since the period ended June 30, 2009. On June 26, 2013, Corporation Finance sent a delinquency letter to SJQU requesting compliance with its periodic reporting obligations at the address shown in its then-most recent filing with the Commission, but SJQU did not receive the delinquency letter due to its failure to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of the EDGAR Filer Manual).

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed companies. Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed companies is suspended for the period from 9:30 a.m. EDT on July 8, 2015, through 11:59 p.m. EDT on July 21, 2015.

By the Commission.

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Designation of Longer Period for Commission Action on Proposed Rule Change Relating to Rule 6.53C and Complex Orders on the Hybrid System

July 6, 2015.

On May 12, 2015, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to modify Rule 6.53C, Complex Orders on the Hybrid System, to give the Exchange the flexibility to distinguish between Professional and non-Professional orders for the purposes of determining eligibility for COA. The proposed rule change was published for comment in the **Federal Register** on May 27, 2015.³ On June 3, 2015, CBOE filed Amendment No.1 to the proposed rule change.⁴ The Commission received no comment letters regarding the proposed rule change.

Section 19(b)(2) of the Act⁵ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be

The Commission is extending the 45-day time period for Commission action on the proposed rule change. Accordingly, pursuant to Section 19(b)(2) of the Act⁶ and for the reasons stated above, the Commission designates August 25, 2015, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change.

[Release No. 34-75363; File No. SR-CTA-2015-02]

Consolidated Tape Association; Notice of Filing of the Twenty Third Substantive Amendment to the Second Restatement of the CTA Plan

July 6, 2015.

Pursuant to Section 11A of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 608 thereunder,² notice is hereby given that on June 19, 2015, certain participants ("Approving Participants")³ in the Second Restatement of the Consolidated Tape Association Plan ("CTA Plan" or "Plan") filed with the Securities and Exchange Commission ("Commission") a proposal to amend the Plan.⁴ The

¹ 15 U.S.C. 78k-1.

² 17 CFR 242.608.

³ More than two-thirds of the CTA Plan participants approved the amendment. The Approving Participants are: BATS Exchange, Inc., BATS-Y Exchange, Inc., Chicago Board Options Exchange, Incorporated, Chicago Stock Exchange, Inc., EDGA Exchange, Inc., EDGX Exchange, Inc., Financial Industry Regulatory Authority, Inc., International Securities Exchange, LLC, National Stock Exchange, New York Stock Exchange LLC, NYSE MKT LLC, and NYSE Arca, Inc. NASDAQ OMX BX, Inc., NASDAQ OMX PHLX, Inc., and the Nasdaq Stock Market LLC are also CTA Plan participants ("participants").

⁴ See Securities Exchange Act Release Nos. 10787 (May 10, 1974), 39 FR 17799 (May 20, 1974) (declaring the CTA Plan effective). The most recent

amendment represents the 23rd Substantive Amendment (“Amendment”) to the CTA Plan.⁵ The Amendment proposes to establish a fee that will be charged to a vendor or other data redistributor that fails to comply with the CTA Plan participants’ Consolidated Volume display statement, and related requirements. The non-compliance charge seeks to provide incentives for data redistributors to comply with the participants’ consolidated volume requirements.

The Commission is publishing this notice to solicit comments from interested persons on the proposed Amendment.

I. Rule 608(a)

A. Purpose of the Amendment

Historically, the Plan participants have not applied device fees to devices that receive consolidated volume (*i.e.*, aggregate volume for trades taking place on all market centers under the Plan) in displays that do not also include CTA Plan prices or CQ Plan quotation information. The participants do not plan to change this policy.

However, some data redistributors include consolidated volume in displays of unconsolidated last sale prices and/or unconsolidated bid-asked quotes, such as displays of one exchange’s trade prices and quotes.

Such displays, whether displayed internally or externally, could mislead investors in respect of the nature of the information they are viewing. A significant number of data users receive proprietary trade prices and quotes. Unless the data users understand the content being displayed, they could mistakenly think that they are seeing consolidated trades and quotes because they see consolidated volume without any explanation.

restatement of the Plan was in 1995. The CTA Plan, pursuant to which markets collect and disseminate last sale price information for non-NASDAQ listed securities, is a “transaction reporting plan” under Rule 601 under the Act, 17 CFR 242.601, and a “national market system plan” under Rule 608 under the Act, 17 CFR 242.608.

⁵ The Amendment was originally submitted on an immediately effective basis pursuant to Rule 608(b)(3)(i) under Regulation NMS. See Letter from Emily Kasparov, Chairman, CTA Plan Operating Committee to Brent J. Fields, Secretary, Commission, dated May 18, 2015. On June 19, 2015, the Approving Participants filed a letter to indicate the proposal should be considered under Rule 608(b)(1) and Rule 608(b)(2) of Regulation NMS. As a result, the Amendment must be approved by the Commission. See Letter from Emily Kasparov, Chairman, CTA Plan Operating Committee to Brent J. Fields, Secretary, Commission, dated June 17, 2015. The Amendment was designated as the Twenty Second Charges Amendment to the Plan. The Commission notes that the proposal is the Twenty Third Substantive Amendment to the Plan.

To make the displays transparent and less likely to mislead, the Approving Participants have determined to require data redistributors that include consolidated volume in displays of unconsolidated prices and quotes to incorporate into those displays the following statement (or a close iteration of the statement that the network administrator(s) have approved): “Realtime quote and/or trade prices are not sourced from all markets.”

A data redistributor must also assure that any person included in the redistribution chain starting with the data redistributor places the statement in any such display that it provides. The statement must be clearly visible to the end users so that they understand the differences in the data sources.

In addition, data redistributors need to assure that they, and any person or entity included in the redistribution chain starting with them, clearly incorporate the display statement into any advertisement, sales literature or other material displaying CTA Consolidated Volume alongside unconsolidated prices or quotes.

These requirements apply to both real-time and delayed displays of consolidated volume.

In order to ensure compliance with these requirements, the participants will require all recipients of the CTA last sale price datafeed (whether directly or indirectly) to submit a declaration. The participants will require those firms that include consolidated volume in displays of unconsolidated prices and quotes to submit to NYSE a screen print of the displays, showing the display statement. As this is a new requirement, the CTA Administrator will work with firms to facilitate their compliance.

A firm with access to CTA consolidated volume data must submit the declaration and, if applicable, the screen print within 120 days from the effective date of the amendment or within 30 days of the effective date of the firm’s market data agreement with the participants that governs its receipt of the CTA datafeed (its “Vendor Agreement”). Thereafter, each firm must submit its declaration and, if applicable, its screen print annually by the 31st day of each January. The declaration and screen print (if applicable) must be submitted to mdteam@nyx.com.

The Approving Participants’ representatives met with SIFMA and the CTA Plan’s Advisory Committee to discuss the consolidated volume requirements and responded to their questions. The Approving Participants shortened the display statement in response to comments and made clear that a datafeed recipient is free to

provide an exchange’s trading volume with displays of the exchanges trade prices and quotes, without the need to include a display requirement.

In order to motivate data recipients to comply with the display statement requirements, including the requisite declarations and screen submissions, the Approving Participants have determined to establish a non-compliance fee for each month of non-compliance. For each of Network A and Network B, the monthly fee is \$3,000.

A datafeed recipient must submit the required screen prints by July 9, 2015⁶ or within thirty days of the effective date of its Vendor Agreement. It must submit those screen prints (including previously provided, new, or changed screen prints) annually by the 31st day of each January thereafter.

The non-compliance charges will be assessed against a data redistributor for each month in which it fails to provide the declaration or a copy of a Consolidated Volume screen print with the required display statement in a timely manner. The charge will also be assessed against a data redistributor each month for non-compliance by persons in the redistribution chain starting with the data redistributor where such persons have not entered into an applicable agreement with CTA.

The non-compliance charges seek to provide incentives for data redistributors to comply with the consolidated volume requirements. The Approving Participants do not view the non-compliance fee as establishing a new revenue source. Rather, they hope it encourages all data redistributors to submit their declarations and screen prints (where applicable) in a timely fashion. They hope that the fee will motivate non-compliant redistributors to adopt the same practices that the majority of redistributors follow.

The inclusion of delayed displays of consolidated volume in the consolidated volume requirements seeks to add clarity where a data redistributor accompanies displays of real-time unconsolidated prices and quotes with delayed consolidated volume. The Approving Participants seek to prevent that data redistributor from misleading investors while escaping the consolidated display requirements.

C. Implementation of the Amendment

Approving Participants have manifested their approval of the

proposed Amendment by means of their execution of the Amendment. The Plan Amendment would become operational upon approval by the Commission.⁷

D. Development and Implementation Phases

The Approving Participants anticipate commencing to apply the compliance fee on data redistributors that fail to submit declarations or required screen prints by [DATE] [sic]. The Approving Participants will give notice of the compliance fee to all data redistributors no less than 120 days prior to its implementation.

E. Analysis of Impact on Competition

The amendment will impose no burden on competition.

F. Written Understanding or Agreements Relating to Interpretation of, or Participation in, Plan

The participants have no written understandings or agreements between or among them relating to interpretation of the CTA Plan as a result of the amendment.

G. Approval by Sponsors in Accordance With Plan

Section XII (b)(iii) of the CTA Plan provides that “[a]ny addition of any charge to . . . the charges set forth in Exhibit E . . . shall be effected by an amendment to this CTA Plan . . . that is approved by affirmative vote of not less than two-thirds of all of the then voting members of CTA. Any such amendment shall be executed on behalf of each Participant that appointed a voting member of CTA who approves such amendment and shall be filed with the SEC.”

The Approving Participants have executed this Amendment and represent not less than two-thirds of all of the parties to the Plan. That satisfies the Plan’s participant-approval requirements.

I. Terms and Conditions of Access

J. Method of Determination and Imposition, and Amount of, Fees and Charges

The charge will be applied uniformly to vendors, data recipients and other persons that fail to comply.
