

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations

That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule simply promulgates the operating regulations or procedures for drawbridges. This rule is categorically excluded, under figure 2–1, paragraph (32)(e), of the Instruction.

Under figure 2–1, paragraph (32)(e), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

■ 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05–1; and Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 117.991 to read as follows:

§ 117.991 Victoria Barge Canal

The draw of the Victoria Barge Canal Railroad Bridge across Victoria Barge Canal, mile 29.4, at the Bloomington, Victoria County, Texas, shall operate as follows:

(a) The draw shall be unmanned and when a vessel with AIS equipment onboard approaches the two-mile post, the dispatcher will receive a prompt to open the bridge, if required, because a vessel is approaching. The vessel may continue to transit the waterway, but must tune their radiotelephone to VHF–FM channel 13 and receive passing instructions from the railroad dispatcher. The dispatcher must contact the vessel promptly to provide passing instruction to insure the continued safe

transit of the vessel. Vessels without AIS equipment or vessels with AIS who would prefer to call via telephone, may call the railroad dispatcher at 800–262–4691 to arrange passing instructions.

(b) When any vessel approaches the one-mile post, the railroad dispatcher should have either cleared the vessel through the bridge or given an indication that a train is in the block and the vessel will be cleared as soon as practicable. If the vessel has not yet spoken with the railroad dispatcher, the vessel should immediately call the railroad dispatcher via telephone at 800–262–4691.

(c) If any vessel reaches the one-half mile post and has not communicated with the railroad dispatcher nor been cleared to proceed, the vessel should stop and contact either the railroad dispatcher at 800–262–4691 or the Port of Victoria emergency contact at 361–570–8855.
