

Number of Respondents: 24 respondents; 24 responses.
Estimated Time per Response: 250 hours.
Frequency of Response: On occasion reporting requirement and recordkeeping requirement.
Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 151, 152, 154, 161, 201–205 and 218–220 of the Communications Act of 1934, as amended.
Total Annual Burden: 6,000 hours.
Total Annual Cost: \$919,560.
Privacy Impact Assessment: No impact(s).
Nature and Extent of Confidentiality: Respondents are not being asked to submit confidential information to the Commission. However, respondents may request materials or information submitted to the Commission be withheld from public inspection under 47 CFR 0.459 of the Commission’s rules.
Needs and Uses: Section 43.43 establishes the reporting requirements for depreciation prescription purposes.

Communication common carriers with annual operating revenues of \$150.2 million or more that the Commission has found to be dominant must file information specified in Section 43.43 before making any change in depreciation rates applicable to their operating plant. Section 220 of the Communications Act of 1934, as amended, also allows the Commission, in its discretion, to prescribe the form of any and all accounts, records, and memoranda to be kept by carriers subject to the Act, including the accounts, records and memoranda of the movement of traffic, as well as receipts and expenditures of moneys. Carriers are required to file four summary exhibits along with the underlying data used to generate them, and must provide the depreciation factors (*i.e.*, life, salvage, curve shape, depreciation reserve) required to verify the calculation of the carrier’s depreciation expenses and rates. Mid-sized carriers are no longer required to file theoretical reserve studies. Certain price cap incumbent LECs in certain instances

may request a waiver of the depreciation rates.

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility;

the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information burden for small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before September 15, 2015. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.
