

reference to Rule 1080.08 is being changed to Rule 1080.07.

Next, the Exchange proposes to amend Rule 1066(f)(7) and (8), which defines various types of multi-leg orders, including Complex Orders and DNA Orders, both of which are defined in Rule 1080.07(a). Accordingly, Rule 1066(f)(7) and (8) are being corrected to properly refer to Rule 1080.07(a) rather than to Rule 1080.08(a).

Finally, the Exchange proposes to amend Rule 1080.07 itself, which contains several references to Rule 1080.08, which are incorrect. Each of the following provisions in Rule 1080 are proposed to be changed to refer to the same subsection in Rule 1080.07: Rule 1080(m)(iii)(A), Rule 1080(n)(i)(C), Rule 1080(n)(ii)(A)(9), Rule 1080.07(a)(i), Rule 1080.07(e)(i)(B)(1), Rule 1080.07(e)(vi)(B), Rule 1080.07(f)(iii)(C)(2), and Rule 1080.07(f)(iii)(C)(4).

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade by correcting the references to Rule 1080 regarding complex orders, which should help market participants better understand how their orders are handled.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposal merely corrects rule references.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent

with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule, effective July 1, 2015.

On May 11, 2015, the Exchange launched an updated version of the Floor Broker Workstation ("FBW"), (*i.e.*, "FBW2"). In conjunction with the launch of FBW2, the Exchange submitted a rule filing which provided for a fee waiver for the months of May and June 2015, as well as provided that, after July 1, 2015, the monthly fee for FBW2 login IDs would be waived for the first month.³ The Exchange also noted in that filing that after July 2015 (and absent an applicable fee waiver noted above), TPHs will be charged each of \$400 for FBW and FBW2 (*i.e.*, total of \$800) if such users continue to use both FBW and FBW2. The Exchange notes that new features are anticipated to become available on FBW2 in August 2015. In the meanwhile, the Exchange wishes to encourage FBW users to begin (or continue) transitioning to FBW2 logins and provide additional time to become acclimated to FBW2 while still being able to use FBW logins. As such, the Exchange does not wish to charge a TPH \$400 for using both FBW and FBW2 login IDs. Accordingly, the Exchange proposes to delete now outdated language and provide that for every FBW login a TPH has, the FBW2 fee will be waived for the months of July

³ See Securities Exchange Act Release No. 75022 (May 21, 2015), 80 FR 102 [sic] (May 28, 2015) (SR-CBOE-2015-049). The adopted fee for FBW2 is the same as the existing FBW fee (*i.e.*, \$400 per month (per login ID)).

2015 through September 2015 on a one-to-one basis.⁴ Additionally, in light of the proposed changes, the Exchange no longer wishes to continue to provide a waiver of the FBW2 fee for the first month for new FBW2 login IDs.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁷ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

In particular, the Exchange believes it is reasonable to provide a waiver of FBW2 fees for each FBW login a TPH has for the months of July 2015 through September 2015 because it encourages users to use and become familiar with the updated FBW2 login IDs while waiting for certain features to be implemented on FBW2. Additionally, the Exchange notes the proposed rule change provides users additional time to become familiar with and fully acclimated to the new FBW functionality. The Exchange believes it is reasonable to eliminate the waiver for the first month for a new login ID currently beginning July 1, 2015, because the Exchange is also providing for additional waivers of FBW2 logins as described above and wants to encourage

⁴ For example, if a TPH has two FBW logins and two FBW2 logins, the total monthly fee would be \$800 (\$400 for each FBW login). Another example is if a TPH has two FBW logins and three FBW2 logins, the total monthly fee would be \$1,200 (\$400 for each FBW login and \$400 for the additional FBW2 login).

users to begin transitioning to FBW2 logins prior to the upcoming discontinuation of FBW logins. The Exchange believes the proposed changes are equitable and not unfairly discriminatory because it applies to all users of FBW2.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, because it applies to all Trading Permit Holders. The Exchange believes this proposal will not cause an unnecessary burden on intermarket competition because the proposal only affects trading on CBOE. To the extent that the proposed changes make CBOE a more attractive marketplace for market participants at other exchanges, such market participants are welcome to become CBOE market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and paragraph (f) of Rule 19b-4⁹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75437; File No. SR-BATS-2015-53]

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of BATS Exchange, Inc.

July 13, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 6, 2015, BATS Exchange, Inc. ("Exchange" or "BATS") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend its fees and rebates applicable to Members⁵ and non-Members of the Exchange pursuant to BZX Rule 15.1(a) and (c) ("Fee Schedule") to modify its fees for physical connectivity. Changes to the fee schedule pursuant to this proposal are effective upon filing.

The text of the proposed rule change is available at the Exchange's Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for

the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to modify its fees for physical connectivity. A physical port is utilized by a Member or non-Member to connect to the Exchange at the data centers where the Exchange's servers are located. The Exchange currently maintains a presence in two third-party data centers: (i) The primary data center where the Exchange's business is primarily conducted on a daily basis, and (ii) a secondary data center, which is predominantly maintained for business continuity purposes. The Exchange currently assesses the following physical connectivity fees for Members and non-Members on a monthly basis: \$1,000 per physical port that connects to the System⁶ via 1 gigabyte circuit; and \$2,500 per physical port that connects to the System via 10 gigabyte circuit.

The Exchange now proposes to amend its physical connectivity fees to align the Exchange's fees with its affiliates.⁷ The Exchange proposes to increase the fee per physical port that connects to the System via: (i) 1 gigabyte circuit from \$1,000 per month to \$2,000 per month; and (ii) 10 gigabyte circuit from \$2,500 per month to \$4,000 per month.

Implementation Date

The Exchange proposes to implement this amendment to its Fee Schedule immediately.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with

⁶ The term "System" is defined as "the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away." See Exchange Rule 1.5(cc).

⁷ The Exchange's affiliates are EDGX Exchange, Inc. ("EDGX"), EDGA Exchange, Inc. ("EDGA") and BATS Y-Exchange, Inc. ("BYX", together with the Exchange, EDGA and EDGX, the "BATS Exchanges"). The Exchange notes that each of its affiliates has also filed or will also file proposed rule changes with Commission to adopt similar physical connectivity fees.
