Full Board: Closed Session: 8:30 a.m.–10:00 a.m. Open Session 10:00 a.m.–12:00 p.m.

On August 6, 2015, from 8:30 a.m. to 4:00 p.m., the Assessment Development Committee will meet in closed session to review assessment items for the NAEP transition to digital-based assessments (DBA). The review will include secure items in mathematics at grades 4 and 8 for the 2016 pilot, in preparation for the 2017 operational assessment. The Committee's reviews and discussions on secure test items cannot be discussed in an open meeting to protect the confidentiality of the secure assessment materials. Premature disclosure of these results would significantly impede implementation of the NAEP assessment program, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 United States Code.

The Board's standing committees will meet to conduct regularly scheduled work, based on agenda items planned for this quarterly Board meeting, and follow up items as reported in the Board's committee meeting minutes available at <http://nagb.gov/what-we-do/board-committee-reports-and-agendas.html>.

The Executive Committee will convene in open session on August 6, 2015 from 4:30 p.m. to 5:20 p.m. and

thereafter in closed session from 5:20 p.m. to 6:15 p.m. During the closed session, the Executive Committee will receive and discuss cost estimates for implementing NAEP's Assessment Schedule for 2014–2024, and the implications of the cost and funding estimates for the NAEP Assessment Schedule and future NAEP activities will also be discussed. This meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program by providing confidential cost details and proprietary contract costs of current contractors to the public. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

On August 7, 2015, the full Board will meet in open session from 8:30 a.m. to 10:15 a.m. The Board will review and approve the August 6–7, 2015 Board meeting agenda and meeting minutes from the May 2015 Quarterly Board meeting. This session will be followed by the Chairman's remarks and welcome remarks from the Governing Board's new Executive Director, Bill Bushaw. Thereafter, the full Board will receive a briefing on the Trial Urban District Assessments (TUDA) and implications for education reforms from Michael Casserly, Executive Director of the Council of the Great City Schools. The briefing will be followed by update reports from the Acting Director of the Institute of Education Sciences, Sue Betka, and the Acting Commissioner of the National Center for Education Statistics, Peggy Carr. The Board will recess for Committee meetings from 10:15 a.m. to 12:30 p.m.

The Reporting and Dissemination Committee will meet in open session from 10:15 a.m. to 12:30 p.m.

The Committee on Standards, Design and Methodology (COSDAM) will meet in open session from 10:15 a.m. to 11:45 a.m. and thereafter in closed session from 11:45 a.m. to 12:30 p.m. During the closed session COSDAM will discuss information regarding analyses of the 2014 grade 8 Technology and Engineering Literacy (TEL) assessment, and discuss secure NAEP TEL data. This part of the meeting must be conducted in closed session because the analysis involves the use of secure data for the NAEP TEL assessment. Public disclosure of secure data would significantly impede implementation of the NAEP assessment program if conducted in open session. Such

matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

The Assessment Development Committee will meet in open session from 10:15 a.m. to 11:10 a.m. and thereafter in closed session from 11:10 a.m. to 12:30 p.m. During the closed session, the Committee will receive a briefing on transitioning NAEP to Digital-Based Assessments (DBA). The briefing will be in-depth, with discussion of secure NAEP reading and mathematics test questions for the 2017 operational assessments at grades 4 and 8, and secure items at grades 8 and 12 in U.S. history, civics, and geography for the 2018 operational assessments. This part of the meeting must be conducted in closed session because the items are to be used in NAEP assessments; public disclosure of secure test items would significantly impede implementation of the NAEP assessment program if conducted in open session. Such matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

Following the Committee meetings, the Board will convene in closed session from 12:45 p.m. to 2:45 p.m. The closed session will for the Board to receive a briefing and discuss the NAEP 2015 Report Cards in Reading and Mathematics for grades 4 and 8 national and state data. This part of the meeting must be conducted in closed session because results of these NAEP assessments have been embargoed and are not ready for public release. Public disclosure of this information would likely have an adverse technical and financial impact on the NAEP program. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

Thereafter, the Board will meet in open session from 2:45 p.m. to 5:00 p.m. From 3:15–4:15 p.m., the Board will meet in breakout sessions by groups comprised of NAGB members established by the Chairman to discuss the Governing Board's Strategic Planning Initiative. The Board will then convene from 4:30 p.m. to 5:30 p.m. to receive reports from the group breakouts and engage in discussions prior to taking action on the Governing Board's Strategic Planning Framework.

The August 7, 2015 session of the Board meeting will adjourn at 5:30 p.m.

On August 8, 2015, the Nominations Committee will meet in closed session from 7:30 a.m. to 8:15 a.m. to discuss candidates for six Board vacancies for terms beginning on October 1, 2016. The

Committee's discussions pertain solely to internal personnel rules and practices of an agency and information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of section 552b(c) of Title 5 of the United States Code.

On Saturday, August 8, the full Board will meet in closed session from 8:30 a.m. to 10:00 a.m. to discuss preliminary information regarding the 2014 grade 8 Technology and Engineering Literacy (TEL) assessment and achievement levels setting process. This part of the meeting must be conducted in closed session because it involves secure items and data for the NAEP TEL assessment. Public disclosure of secure items and data would significantly impede implementation of the NAEP assessment program if conducted in open session. Such matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

From 10:15 a.m. to 11:15 a.m. the Board will discuss and take action on the Assessment Literacy Communications Plan. Outgoing Board members whose terms expire in September 2015 will provide remarks from 11:15 a.m. to 11:30 a.m.

The Board will receive reports from the standing committees and take action proposed by the Executive and Reporting Committees from 11:30 a.m. to 12:00 p.m. as follows:

1. Executive Committee: Election of Board Vice Chair for 2015–2016
2. Executive Committee: Budget Resolution on NAEP Funding
3. Reporting and Dissemination Committee: Release Plan for 2015 Reading and Mathematics Report Cards.

The August 8, 2015 meeting is scheduled to adjourn at 12:00 p.m.

Access to Records of the Meeting: Pursuant to FACA requirements, the public may also inspect the meeting materials at www.nagb.gov on Friday, August 7, 2015 by 7:00 a.m. ET. The official verbatim transcripts of the public meeting sessions will be available for public inspection no later than 30 calendar days following the meeting.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to provide training and

technical assistance (TA) to governing bodies of Indian tribes that have received an American Indian Vocational Rehabilitation Services (AIVRS) grant under section 121(a) of the Rehabilitation Act of 1973, as amended (the Act). Under section 121(c)(3) of the Act, the Commissioner of the Rehabilitation Services Administration (RSA) makes grants to, or enters into contracts or other cooperative agreements with, entities that have experience in the operation of AIVRS programs to provide such training and TA on developing, conducting, administering, and evaluating these programs.

Priority: We are establishing this priority for the FY 2015 grant competition only in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

Absolute Priority: This priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

Background: The Workforce Innovation and Opportunity Act (WIOA) (Pub. L. 113–128), enacted in July of 2014, made significant changes to the Act, including adding provisions to the AIVRS program that require the reservation of funds to support training and TA. In particular, the new section 121(c) of the Act requires the Commissioner of RSA to reserve not less than 1.8 percent and not more than 2 percent of the funds set aside from the State vocational rehabilitation (VR) program (section 110(d) of the Act) for the AIVRS program to provide training and TA to governing bodies of Indian tribes that have received AIVRS grants under section 121(a) of the Act.

Under section 121(a) the Department currently supports 83 projects that provide VR services to American Indians with disabilities, consistent with each individual's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice, so that they may prepare for, and engage in, high-quality competitive integrated employment that will increase opportunities for economic self-sufficiency.

To help determine funding priorities, section 121(c)(3) of the Act requires RSA to survey the governing bodies of Indian tribes operating AIVRS projects to identify their training and TA needs. RSA's survey of the AIVRS grantees conducted in January 2015 resulted in a 50 percent response rate and indicated training and TA needs in five primary areas: (1) Knowledge of applicable laws and regulations governing the AIVRS program; (2) staff development and

service provision (e.g., best practices for serving individuals with physical and mental disabilities, case management and case record documentation, eligibility determinations, and developing individualized plans for employment); (3) financial management (e.g., budget management and compliance with applicable Federal grant administrative regulations and cost principles); (4) data collection, reporting, and performance measures; and (5) assistive technology (AT) (e.g., knowledge of what AT is, evaluating the need for AT, use of AT, access to AT). Beginning in FY 2016, this survey will be conducted each year as part of the AIVRS grantees' annual reporting to the Department. We will consider the results of the survey in determining specific training and TA topics to be included each year in the training and TA cooperative agreement.

The priority is:

American Indian Vocational Rehabilitation Services—Training and Technical Assistance Program.

This priority supports a five-year cooperative agreement to establish an American Indian Vocational Rehabilitation Services (AIVRS) Training and Technical Assistance Center (Center) to provide three different types of training and technical assistance (TA) for AIVRS projects: (1) Intensive, sustained training and TA;¹ (2) targeted, specialized training and TA;² and (3) universal, general training and TA.³ The Center will develop and

¹ For the purposes of this priority, "intensive, sustained training and technical assistance" means TA services often provided on-site and requiring a stable, ongoing relationship between the AIVRS—Training and Technical Assistance program staff and the training and TA recipient. "Technical assistance services" are defined as negotiated series of activities designed to reach a valued outcome. This category of training and TA should result in changes to policy, program, practice, or operations that support increased recipient capacity of improved outcomes at one or more systems levels.

² For the purposes of this priority, "targeted, specialized training and technical assistance" means TA based on needs common to multiple recipients and not extensively individualized. A relationship is established between the training and TA recipient and one or more training and TA center staff. This category of training and TA includes one-time, labor-intensive events, such as facilitating strategic planning or hosting regional or national conferences. It can also include episodic, less labor-intensive events that extend over a period of time, such as facilitating a series of conference calls on single or multiple topics that are designed around the needs of the recipients. Facilitating communities of practice can also be considered targeted, specialized training and TA.

³ For the purposes of this priority, "universal, general training and technical assistance" means training and TA and information provided to independent users through their own initiative, resulting in minimal interaction with training and TA center staff and including one-time, invited or offered conference presentations by training and TA
