(i) the rounding up and dropping of fractions, and (ii) the payment of cashin-lieu of fractional shares. DTC will maintain the Fractional Identifiers previously designated for existing fractional shares within DTC, and continue to perform corporate actions processing with respect to those Fractional Identifiers.

## Implementation

The effective date of the proposed rule change will be announced via a DTC Important Notice.

# III. Discussion and Commission Findings

Section 19(b)(2)(C) of the Act <sup>9</sup> directs the Commission to approve a proposed rule change of a self-regulatory organization if it finds that such proposed rule change is consistent with the requirements of the Act and rules and regulations thereunder applicable to such organization. Section 17A(b)(3)(F) of the Act requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions, as well as, in general, protect investors and the public interest. <sup>10</sup>

The Commission finds the proposed rule change consistent with the Act. More specifically, the Commission finds that the proposed rule change is consistent with section 17A(b)(3)(F) of the Act.<sup>11</sup> By eliminating the distribution of fractional shares for new issues within DTC's system, the proposed rule change should, as represented by DTC, improve efficiencies for investors relating to the disposition of fractional shares in corporate-action events, as well as reduce the costs for DTC and the industry relating to DTC tracking, processing and reporting on separate Fractional Identifiers for those issues, consistent with the provisions of section 17A(b)(3)(F) of the Act which require that the rules of the clearing agency be designed, among other things, to promote the prompt and accurate clearance and settlement of securities transactions, as well as, in general, to protect investors and the public interest.12

# **IV. Conclusion**

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of section 17A of the  $Act^{13}$  and the rules and regulations thereunder.

It is therefore ordered, pursuant to section 19(b)(2) of the Act, that proposed rule change SR–DTC–2015–007 be, and hereby is, approved.<sup>14</sup>

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.  $^{15}$
