AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Rescind Notice of Intent to prepare an EIS.

SUMMARY: The FHWA is issuing this notice to advise the public that the Notice of Intent (NOI) for the preparation of an Environmental Impact Statement to study a bypass route around the City of Blair, in Washington County, Nebraska, is being rescinded [project number S-89(17)]. The NOI was published in the **Federal Register** on June 2, 2004. A Draft Environmental Impact Statement was not released. This rescission is based on a lack of available funding for the full corridor proposal, which has led to the reduction in the scope of the study and a refinement of the methods to identify and assess alternatives.
