

information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. In response to your comments, we may revise these ICRs or decide not to seek approval of revisions of the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2015–0629], and must be received by September 29, 2015. We will post all comments received, without change, to <http://www.regulations.gov>. They will include any personal information you provide. We have an agreement with DOT to use their DMF. Please see the “Privacy Act” paragraph below.

Submitting Comments

If you submit a comment, please include the docket number [USCG–2015–0629], indicate the specific section of the document to which each comment applies, providing a reason for each comment. You may submit your comments and material online (via <http://www.regulations.gov>), by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the DMF. We recommend you include your name, mailing address, an email address, or other contact information in the body of your document so that we can contact you if we have questions regarding your submission.

You may submit your comments and material by electronic means, mail, fax, or delivery to the DMF at the address under **ADDRESSES**; but please submit them by only one means. To submit your comment online, go to <http://www.regulations.gov>, and type “USCG–2015–0629” in the “Search” box. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during

the comment period and will address them accordingly.

Viewing comments and documents: To view comments, as well as documents mentioned in this Notice as being available in the docket, go to <http://www.regulations.gov>, click on the “read comments” box, which will then become highlighted in blue. In the “Search” box insert “USCG–2015–0629” and click “Search.” Click the “Open Docket Folder” in the “Actions” column. You may also visit the DMF in Room W12–140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Information Collection Request

1. **Title:** Boating Accident Report.
OMB Control Number: 1625–0003.
Summary: The Coast Guard Boating Accident Report form is the data collection instrument that ensures compliance with the implementing regulations and Title 46 U.S.C. 6102(b) that requires the Secretary to collect, analyze and publish reports, information, and statistics on marine casualties.

Need: Title 46 U.S.C. 6102 (a) requires a uniform marine casualty reporting system, with regulations prescribing casualties to be reported and the manner of reporting. The statute requires a state to compile and submit to the Secretary (delegated to the Coast Guard) reports, information, and statistics on casualties reported to the State. Implementing regulations are contained in Title 33, Code of Federal Regulations, SUBCHAPTER S—BOATING SAFETY, PART 173—VESSEL NUMBERING AND CASUALTY AND ACCIDENT REPORTING, Subpart C—Casualty and Accident Reporting and Part 174—STATE NUMBERING AND CASUALTY REPORTING SYSTEMS, Subpart C—Casualty Reporting System Requirements, and Subpart D—State reports.

States are required to forward copies of the reports or electronically transmit accident report data to the Coast Guard within 30 days of their receipt of the

report as prescribed by 33 Code of Federal Regulations § 174.121 (Forwarding of casualty or accident reports). The accident report data and statistical information obtained from the reports submitted by the State reporting authorities are used by the Coast Guard in the compilation of national recreational boating accident statistics.

Forms: CG–3865 and CG–3865SP.

Respondents: Federal regulations (33 CFR 173.55) require the operator of any uninspected vessel that is numbered or used for recreational purposes to submit an accident report to the State authority when:

- (1) A person dies; or
- (2) A person is injured and requires medical treatment beyond first aid; or
- (3) Damage to the vessel and other property totals \$2,000 or more, or there is a complete loss of the vessel; or
- (4) A person disappears from the vessel under circumstances that indicate death or injury.

Frequency: On occasion.

Burden Estimate: The estimated burden remains unchanged at 2,500 hours a year.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Dated: July 24, 2015.

Thomas P. Michelli,
U.S. Coast Guard, Deputy Chief Information Officer.

SUPPLEMENTARY INFORMATION: In compliance with the Paperwork Reduction Act of 1995, the U.S. Coast Guard intends to submit an Information Collection Request (ICRs) to the Office of Management and Budget (OMB), Office of Information and Regulatory Affairs (OIRA), requesting approval of a revision of a currently approved collection: 1625–0035, Title 46 CFR

Subchapter Q: Lifesaving, Electrical, Engineering and Navigation Equipment, Construction and Materials & Marine Sanitation Devices (33 CFR part 159). Our ICR describes the information we seek to collect from the public. Before submitting this ICR to OIRA, the Coast Guard is inviting comments as described below.

Public Participation and Request for Comments

This Notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether these ICRs should be granted based on the Collections being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. In response to your comments, we may revise these ICRs or decide not to seek approval of revisions of the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2015–0630], and must be received by September 29, 2015. We will post all comments received, without change, to <http://www.regulations.gov>. They will include any personal information you provide. We have an agreement with DOT to use their DMF. Please see the "Privacy Act" paragraph below.

Submitting Comments

If you submit a comment, please include the docket number [USCG–2015–0630], indicate the specific section of the document to which each comment applies, providing a reason for

each comment. You may submit your comments and material online (via <http://www.regulations.gov>), by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the DMF. We recommend you include your name, mailing address, an email address, or other contact information in the body of your document so that we can contact you if we have questions regarding your submission.

You may submit your comments and material by electronic means, mail, fax, or delivery to the DMF at the address under **ADDRESSES**; but please submit them by only one means. To submit your comment online, go to <http://www.regulations.gov>, and type "USCG–2015–0630" in the "Search" box. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and will address them accordingly.

Information Collection Request

1. *Title:* Title 46 CFR Subchapter Q: Lifesaving, Electrical, Engineering and Navigation Equipment, Construction and Materials & Marine Sanitation Devices (33 CFR part 159).

OMB Control Number: 1625-0035.

Summary: This information is used by the Coast Guard to ensure that regulations governing specific types of safety equipment, materials and Marine Sanitation Devices (MSDs) installed on commercial vessels and pleasure craft are met. Manufacturers are required to submit drawings, specifications, and laboratory test reports to the CG before any approval is given.

Need: Title 46 U.S.C. 2103, 3306, 3703, and 4302 authorize the Coast Guard to establish safety equipment and material regulations. Title 46 CFR parts 159 to 164 prescribe these requirements. Title 33 U.S.C. 1322 authorizes the Coast Guard to establish MSD regulations. Title 33 CFR part 159 prescribes these rules. NVIC 8-01 (Chg 2) prescribes the standards for navigation equipment. This information is used to determine whether manufacturers are in compliance with Coast Guard regulations. When the Coast Guard approves any safety equipment, material, or MSD for use on a commercial vessel or pleasure craft, the manufacturer is issued a Certificate of Approval.

Forms: CGHQ-10030.

Respondents: Manufacturers of safety equipment, materials and marine sanitation devices.

Frequency: On occasion.

Burden Estimate: The estimated burden has increased from 58,414 hours to 118,594 hours a year due to an increase in the estimated annual number of responses.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Dated: July 24, 2015.
