

mangoes regardless of their country of origin. This determination was based on evidence presented in a treatment evaluation document (TED) we made available with the notice. The treatment was added to the PPQ Treatment Manual, but was subject to change based on public comment.

We solicited comments on the notice for 60 days ending on June 22, 2015. We received six comments by that date. They were from private citizens, exporters, industry groups, and representatives of State and foreign governments. The responses were in favor of the revised treatment schedule to extend the applicability of the treatment to additional mango commodities. Therefore, in accordance with the regulations in § 305.3(b)(3), we are affirming our revision of a hot water treatment schedule for mango to control certain pests, as described in the TED made available with the previous notice. The treatment schedule is numbered T102-a. The treatment schedule will be listed in the PPQ Treatment Manual, which is available as described in footnote 1 of this document.

Authority: 7 U.S.C. 7701–7772 and 7781–7786; 21 U.S.C. 136 and 136a; 7 CFR 2.22, 2.80, and 371.3.

Done in Washington, DC, this 29th day of July 2015.

Kevin Shea,

Administrator, Animal and Plant Health Inspection Service.

Foreign Agricultural Service

Assessment of Fees for Dairy Import Licenses for the 2016 Tariff-Rate Import Quota Year

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice.

SUMMARY: This notice announces a fee of \$250 to be charged for the 2016 tariff-rate quota (TRQ) year for each license issued to a person or firm by the Department of Agriculture authorizing the importation of certain dairy articles, which are subject to tariff-rate quotas set forth in the Harmonized Tariff Schedule (HTS) of the United States.

DATES: August 4, 2015.

FOR FURTHER INFORMATION CONTACT: Abdelsalam El-Farra, Dairy Import Licensing Program, Import Policies and Export Reporting Division, STOP 1021, U.S. Department of Agriculture, 1400 Independence Avenue SW.,

Washington, DC 20250–1021 or telephone at (202) 720–9439 or email at abdelsalam.el-farra@fas.usda.gov.

SUPPLEMENTARY INFORMATION: The Dairy Tariff-Rate Import Quota Licensing Regulation promulgated by the Department of Agriculture and codified at 7 CFR 6.20–6.37 provides for the issuance of licenses to import certain dairy articles that are subject to TRQs set forth in the HTS. Those dairy articles may only be entered into the United States at the in-quota TRQ tariff-rates by or for the account of a person or firm to whom such licenses have been issued and only in accordance with the terms and conditions of the regulation.

Licenses are issued on a calendar year basis, and each license authorizes the license holder to import a specified quantity and type of dairy article from a specified country of origin. The use of such licenses is monitored by the Dairy Import Licensing Program, Import Policies and Export Reporting Division, Foreign Agricultural Service, U.S. Department of Agriculture, and the U.S. Customs and Border Protection, U.S. Department of Homeland Security.

The regulation at 7 CFR 6.33(a) provides that a fee will be charged for each license issued to a person or firm by the Licensing Authority in order to defray the Department of Agriculture's costs of administering the licensing system under this regulation.

The regulation at 7 CFR 6.33(a) also provides that the Licensing Authority will announce the annual fee for each license and that such fee will be set out in a notice to be published in the **Federal Register**. Accordingly, this notice sets out the fee for the licenses to be issued for the 2016 calendar year.

Notice: The total cost to the Department of Agriculture of administering the licensing system for 2016 has been estimated to be \$624,300.00 and the estimated number of licenses expected to be issued is 2,500. Of the total cost, \$479,200.00 represents staff and supervisory costs directly related to administering the licensing system, and \$145,100.00 represents other miscellaneous costs, including travel, postage, publications, forms, and ADP system support.

Accordingly, notice is hereby given that the fee for each license issued to a person or firm for the 2016 calendar year, in accordance with 7 CFR 6.33, will be \$250 per license.

Issued in Washington, DC, the 16th day of July, 2015.

Ronald Lord,

Licensing Authority.

Natural Resources Conservation Service

[Docket No. NRCS–2015–0004]

Notice of Availability (NOA) of the Finding of No Significant Impact (FONSI) and Final Environmental Assessment (EA) for the Voluntary Public Access and Habitat Incentive Program (VPA–HIP)

AGENCY: Natural Resources Conservation Service.

ACTION: Notice of availability.

SUMMARY: On April 27, 2015, the Natural Resources Conservation Service (NRCS) published an NOA in the **Federal Register** announcing the availability of a draft EA for VPA–HIP and requesting public comment. The draft EA was available for a 30-day public comment period that ended May 27, 2015. The draft EA was prepared to meet the requirements of the National Environmental Policy Act (NEPA) of 1969 and NRCS implementing regulations. Brief comments were received from one State and those comments expressed no concerns about the analysis or the effects of the program. NRCS has determined that implementing VPA–HIP is not a major Federal action significantly affecting the quality of the human environment within the context of NEPA and, therefore, an Environmental Impact Statement will not be prepared.

FOR FURTHER INFORMATION CONTACT: A copy of the final Programmatic EA and FONSI can be accessed on the Internet by clicking on the appropriate link at www.nrcs.usda.gov/ea. Single copies of the FONSI and Programmatic EA or additional information may also be obtained by contacting Ms. Andrée DuVarney, National Environmental Coordinator, USDA–NRCS, Ecological Sciences Division, Room 6158–S, P.O. Box 2890, Washington, DC 20013–2890 or by sending a request via email to andree.duvarney@wdc.usda.gov.

SUPPLEMENTARY INFORMATION:

Background: VPA–HIP is a competitive grants program that is available to State and Tribal governments. The program is authorized under the Food, Conservation, and Energy Act of 2008, as amended (2008 Farm Bill, as amended) (16 U.S.C. 3839bb–5). Regulations at 7 CFR part 1455 govern implementation of VPA–HIP. The primary objective of VPA–HIP is to support State and Tribal government programs that encourage owners and operators of privately held
