We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting*: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. 4. *Performance Measures*: The Government Performance and Results Act of 1993 (GPRA) directs Federal departments and agencies to improve the effectiveness of programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The purpose of this priority is to demonstrate promising practices in the use of career pathways to help VR-eligible individuals with disabilities, including youth with disabilities, to acquire marketable skills and recognized postsecondary credentials necessary to secure competitive integrated employment in high-demand, high-quality occupations, as measured by the following project outcomes, at a minimum: (a) Increase the number of distinct career pathways accessed or created by the participating State VR agency(ies) for eligible individuals seeking competitive integrated employment in related occupational clusters; (b) Increase the number and percentage of VR-eligible individuals who achieve competitive integrated employment within each of the project's career pathways; and (c) Increase the average weekly wage and employer

benefits of VR-eligible individuals participating in each of the project's career pathways, as compared to those of non-participating eligible individuals.

Grantees' progress in achieving these performance measures will be evaluated based on the careful review of their annual financial and performance reports.

5. *Continuation Awards*: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

[FE Docket No. 15-62-LNG]

Texas LNG Brownsville LLC; Application for Long-Term, Multi-Contract Authorization To Export Liquefied Natural Gas to Non-Free Trade Agreement Nations for a 25-Year Period

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

SUMMARY: The Office of Fossil Energy (FE) of the Department of Energy (DOE) gives notice of receipt of an application (Application), filed on April 15, 2015, by Texas LNG Brownsville LLC (Texas LNG), requesting long-term, multi-contract authorization to export domestically produced liquefied natural gas (LNG) in a volume equivalent to approximately 0.55 billion cubic feet per year (Bcf/d) of natural gas (200.75 Bcf per year (Bcf/yr)). On May 22, 2015, Texas LNG filed a First Amendment to the Application, increasing the requested export volume to 0.56 Bcf/d of natural gas (204.4 Bcf/yr), which it states is equivalent to 4 million metric tons per annum of LNG. Texas LNG seeks authorization to export the LNG by vessel from the proposed Texas LNG facility to be constructed at the Port of Brownsville in Brownsville, Texas, to any country with which the United States does not have a free trade agreement (FTA) requiring national treatment for trade in natural gas, and with which trade is not prohibited by

U.S. law or policy (non-FTA countries).¹ Texas LNG requests the authorization for a 25-year term to commence on the earlier of the date of first export or 10 years from the date the authorization is granted. Texas LNG seeks to export this LNG on its own behalf and as agent for other entities who hold title to the LNG at the time of export. The Application was filed under section 3 of the Natural Gas Act (NGA). Additional details can be found in Texas LNG's Application and First Amendment to the Application, posted on the DOE/FE Web site at: http://energy.gov/sites/prod/files/2015/05/f22/15_62_lng.pdf and http://energy.gov/sites/prod/files/2015/06/f22/Amendment%20to%20Application05_22_15.pdf. ¹ In FE Docket No. 13-160-LNG, DOE/FE previously issued Order No. 3443 to Texas LNG, authorizing it to export LNG in a volume equivalent to 100 Bcf/yr of natural gas (0.27 Bcf/d) to FTA countries. Texas LNG further notes that a non-FTA export application for the same volume remains pending in that docket. See App. at 7. In the current Application, Texas LNG states that "[the] FTA authorization and non-FTA application in Docket No. 13-160-LNG shall remain in effect until the DOE/FE acts on the authorized requested in this new docket, at which time Texas LNG LLC shall request that Docket No. 13-160-LNG be novated." *Id.* Additionally, in the current Application, Texas LNG requests authorization to export LNG to any nation that currently has, or in the future may enter into, a FTA requiring national treatment for trade in natural gas, and with which trade is not prohibited by U.S. law or policy (FTA countries). DOE/FE will review that request for a FTA export authorization separately pursuant to NGA § 3(c), 15 U.S.C. 717b(c).
