

of trade and to protect investors and the public interest. The Adviser represents that the proposed changes relating to the Funds' holdings in U.S. Treasury futures, other interest rate futures contracts, and interest rate swaps, as described above, are consistent with each Fund's investment objective, and will further assist the Adviser to achieve each such investment objective. In addition, such proposed changes are consistent with the use of U.S. Treasury futures, other interest rate futures contracts, and interest rate swaps permitted for shares of other funds of the Trust previously approved by the Commission for Exchange listing and trading.¹³

The proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest. The Adviser represents that the proposed changes relating to the Funds' holdings in U.S. Treasury futures, other interest rate futures contracts, and interest rate swaps, as described above, are consistent with each Fund's investment objective, and will further assist the Adviser to achieve each such investment objective. In addition, such proposed changes are consistent with the use of U.S. Treasury futures, other interest rate futures contracts, and interest rate swaps permitted for shares of other funds of the Trust previously approved by the Commission for Exchange listing and trading.¹⁴ Such changes would enhance the ability of the Funds to mitigate interest rate risk. The Funds will invest only in futures contracts that are traded on an exchange that is a member of the ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement. Swaps will be centrally cleared. All derivatives held by the Funds will be collateralized. The Adviser represents that the investment objective of each Fund has not changed. Except for the changes noted above, all other representations made in the Prior Release remain unchanged. The Funds will continue to comply with all initial and continued listing requirements under NYSE Arca Equities Rule 8.600.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The Exchange believes the proposed rule change, in permitting each Fund to utilize other

interest rate futures and interest rate swaps as part of its portfolio to achieve its investment objective, will enhance competition among issues of Managed Fund Shares that invest principally in fixed income securities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to section 19(b)(3)(A)(iii) of the Act¹⁵ and Rule 19b-4(f)(6) thereunder.¹⁶ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Applicants

1. The Trust will be registered as an open-end management investment company under the Act and is a statutory business trust organized under the laws of Delaware. Applicants seek relief with respect to nine Funds (as defined below, and those Funds, the “Initial Funds”). The portfolio positions of each Fund will consist of securities and other assets selected and managed by its Adviser or Subadviser (as defined below) to pursue the Fund’s investment objective.

2. The Adviser, a New York corporation, will be the investment adviser to the Initial Funds. An Adviser (as defined below) will serve as investment adviser to each Fund. The Adviser is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 (“Advisers Act”). Because the relief requested is the same as the relief granted by the Commission under the Reference Order and because the Adviser has entered into, or anticipates entering into, a licensing agreement with Eaton Vance Management, or an affiliate thereof in order to offer exchange-traded managed funds,² the Order would incorporate by reference the terms and conditions of the Reference Order.

5. Applicants request that the Order apply to the Initial Funds and to any other existing or future open-end management investment company or series thereof that: (a) Is advised by the Adviser or any entity controlling, controlled by, or under common control with the Adviser (any such entity included in the term “Adviser”); and (b) operates as an exchange-traded managed fund as described in the Reference Order; and (c) complies with the terms and conditions of the Order and of the Reference Order, which is incorporated by reference herein (each such company or series and Initial Fund, a “Fund”).³
